## **PAY ATTENTION LIST**

### **GET INVOLVED**

Clark's Corner is back and will be sharing info with you all from time to time, thanks for the opportunity. There are several issues you should be aware of and hopefully respond accordingly. I'm talking about the negative impacts on our industry. The following items are examples:

**SB 32** (Pavley)-Requires the Air Resources Board (ARB) to approve statewide greenhouse gas (GHG) emissions limits equivalent to 40% below the 1990 level by 2030 and 80% below the 1990 level by 2050.

**SB 350** (DeLeon)-Enacts the "Clean Energy and Pollution Reduction Act of 2015, "which establishes targets to reduce petroleum use in motor vehicles by 50% by 2030, double the energy efficiency of buildings by 2030, and increase retail sales of renewable electricity to 50% by 2030.

**Department of Fish & Wildlife – Oil Spill Prevention and Response Planning (OSPR).** Must prepare an oil spill contingency plan and submit the plan to the administration by **January 1, 2016**. Website - <https://www.wildlife.ca.gov/OSPR/Legal/Proposed-Regulations>

**Bureau of Land Management (BLM) – Onshore Order 3 Site Security.** Proposed changes that could have significant impacts: a number of immediate assessments for infractions, new seal requirements and many changes in commingling approvals. Public comments of the rule is due by **September 11, 2015**. Website - <http://www.regulations.gov/#!documentDetail;D=BLM-2015-0003-0001>

We still have ongoing controversial issues with the Regional & State Water Control Board, Division of Oil and Gas, and CARB.

**Major Impact:** The Kern County Planning and Community Development Department has prepared the draft environmental report for the revisions to the Kern County Zoning Ordinance – 2015 C, focused on Oil and Gas Local Permitting. The comment period closes on **September 11, 2015**. Website - <http://pcd.kerndsa.com/planning/oil-gas-zoning-amendment>

Unfortunately I only skimmed the surface of what the Oil Industry faces.

**PAY ATTENTION TO BUSINESS/GET INVOLVED.....MAY DAY – MAY DAY.....**

Our mission is to help alleviate hunger and provide food for needy persons of all ages in Kern County. We accomplish this by collecting and distributing food and agricultural products that might otherwise go to waste. Through the help of our referring agencies, we are able to distribute food to needy children, senior citizens, families in crisis, and people who are ill, disabled, homeless or unemployed, and others determined by the Board of Directors to be eligible.

We accomplish this through the following programs:

- Affiliated Agencies – Serves over 100 churches, missions and shelters
- After School – Serves 30 after school and summer programs providing snacks for participating students
- Food for Thought – Serves families of school children at over 115 participating schools
- Harvest Time Agencies – Serves over 70 government agencies and non-profit organizations that identify those in need of emergency food. We also include an opportunity to “Volunteer for Food”
- Senior Sack – Serves low-income seniors at 24 sites that include churches and community senior centers

The Golden Empire Gleaners is a private, food bank that is run by only two full-time employees and hundreds of volunteers. We are a 501(c)(3) nonprofit organization that is debt-free and receives no government assistance. The work of the Gleaners is supported by generous local businesses, organizations and individuals who share our goal of eliminating hunger in our community.

### **Super Prize Raffle:**

We've got another fabulous SUPER Prize valued at over \$200 courtesy of Bob Moore from Bob Moore & Associates. A BIG thank you to Bob for all he does. Proceeds from the July Super Raffle will be donated to Golden Empire Gleaners. The June 2015 meeting raised \$1,263 for LightWave Education. Bring a few bucks to the July meeting and you could be our next winner.
