

Topic: Update Fundamental Changes in the Airline Industry

Richard Strickland

Richard assumed the Kern County Director of Airports position in May of 2013, which operates through a self-sustaining Airport Enterprise Fund.

Richard manages General Aviation and Commercial Air Service for seven airports including the Meadows Field Commercial Airport serving Denver, Houston, Los Angeles, Phoenix, and San Francisco. Richard has more than 16 years of experience in international airport management.

Prior to Richard's appointment as Director, he managed aviation for San Diego International Airport. Before that, he was assistant Airport Director of Aviation Services at Detroit International Airport and he began his career as Deputy Director of Palm Springs International Airport. Richard oversaw Property Leasing and Airline Relations, Managed Operating and Capital budgets, conducted revenue analysis and developed capital financing plans.

Richard has a Bachelor of Science Degree in Business with a concentration in finance from San Diego State University. Richard is a Certified Member of the American Association of Airport Executives, a Member of Airports Council International, and is a Board Member of the California Airports Council.

Topic: Veteran Benefits

John Lock

John Lock is a Financial Advisor with Edward Jones, his Northwest Branch is located at 4300 Coffee Rd #3. Prior to joining the firm, John served as a County of Kern, Veteran's Service Representative. Helping the Veterans of Kern County is something John is very passionate about, and he strives to continue supporting Veterans and their causes.

John proudly served in the U.S. Navy for twenty-one years, and retired in 2004. During that time, he and his family always made it a point to contribute back to the community where they were currently stationed.

Volunteer work was something that often helped the family adjust to change, make new friends, and help others. John's work ethic and drive to help improve the lives of others made it hard to consider himself "Retired." For John, Edward Jones is the perfect job, as it has opened the door not only to many wonderful clients, but to the community as well.

In addition to being a board member for N.O.R. Chamber of Commerce, John also serves as a board member for Bakersfield Youth Financial Literacy Board, volunteers time for the local Wounded Heroes Fund, and is a Veteran-to-Veteran Hoffman Hospice patient volunteer.

John and his wife Alice, have been married 31 years and are natives of Detroit, Michigan. They have two grown children and are recent empty nesters. Although they miss their kids, they have five pets that keep them busy.

General Meeting Reservations:

We have increased our attendance immensely at the API Dinner Meetings. **In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please send in your RSVP to Terra Gaines at (661) 340-8932 or apibakersfieldchapter@gmail.com no later than 4:00 PM on Monday, September 14th.**

It is important that we have our head count and food selections turned in to the Petroleum Club the day before the event so the appropriate amount of tables and seating are setup in advance to accommodate the crowd. Your timely response is appreciated.

PAY ATTENTION LIST

GET INVOLVED

Clark's Corner is back and will be sharing info with you all from time to time, thanks for the opportunity. There are several issues you should be aware of and hopefully respond accordingly. I'm talking about the negative impacts on our industry. The following items are examples:

SB 32 (Pavley)-Requires the Air Resources Board (ARB) to approve statewide greenhouse gas (GHG) emissions limits equivalent to 40% below the 1990 level by 2030 and 80% below the 1990 level by 2050.

SB 350 (DeLeon)-Enacts the "Clean Energy and Pollution Reduction Act of 2015, "which establishes targets to reduce petroleum use in motor vehicles by 50% by 2030, double the energy efficiency of buildings by 2030, and increase retail sales of renewable electricity to 50% by 2030.

Department of Fish & Wildlife – Oil Spill Prevention and Response Planning (OSPR). Must prepare an oil spill contingency plan and submit the plan to the administration by **January 1, 2016**. Website - <https://www.wildlife.ca.gov/OSPR/Legal/Proposed-Regulations>

Bureau of Land Management (BLM) – Onshore Order 3 Site Security. Proposed changes that could have significant impacts: a number of immediate assessments for infractions, new seal requirements and many changes in commingling approvals. Public comments of the rule is due by **September 11, 2015**. Website - <http://www.regulations.gov/#!documentDetail;D=BLM-2015-0003-0001>

We still have ongoing controversial issues with the Regional & State Water Control Board, Division of Oil and Gas, and CARB.

Major Impact: The Kern County Planning and Community Development Department has prepared the draft environmental report for the revisions to the Kern County Zoning Ordinance – 2015 C, focused on Oil and Gas Local Permitting. The comment period closes on **September 11, 2015**. Website - <http://pcd.kerndsa.com/planning/oil-gas-zoning-amendment>

Unfortunately I only skimmed the surface of what the Oil Industry faces.

**Super Prize Raffle:**

We've got another fabulous SUPER Prize valued at over \$200 courtesy of David Budy from Freeport McMoRan. A BIG thank you to David for all he does. Proceeds from the September Super Raffle will be donated to the ALS Association. The August 2015 meeting raised \$1,215 for Golden Empire Gleaners. Bring a few bucks to the September meeting and you could be our next winner.

What is Taft Oildorado?

Many communities hold annual celebrations to commemorate anniversaries. Taft is different. The town celebrates its birthday once every five years. But what a celebration it is! The city's birthday bash pays homage to the hardy men and women who migrated to this dusty southwestern corner of the San Joaquin Valley when oil seeps were detected shortly after the turn of the century. Oildorado runs for 10 days, and it has something for everyone – a grand parade, melodrama, queen pageant, entertainment, barbecues, dances, civic luncheon, and much more.

API Community Involvement Co-chairs Sandy Sons and Matt Melnyk have formed a committee to help design and construct a float to participate in the Taft Oildorado Days Parade and need your ideas & feedback!

2015 API Oildorado Float is "Patriotic Themed" and will be constructed in Taft, CA

Parade October 17, 2015 from 10am – 12pm in Taft, CA
