

Energy Incentives with CLEAResult

Russ Goold

Russell Goold is a long time resident of Sacramento, graduating from UC Davis with a degree in Environmental Policy in 1997. Upon graduating, Russ worked briefly for Stanislaus County, Western States Petroleum Association and California's Integrated Waste Management Board. In 2000, he joined Global Energy Partners where he was heavily involved with the

utility incentive programs for industrial and commercial customers in California. Starting in 2002, Russ began traveling across California to oil and gas leases in search of electrical energy savings. From Orange County to Coalinga, from the coast to the San Joaquin Valley, there aren't many leases he hasn't visited. Over the years, he has come to appreciate the challenges faced by California oil and gas producers and the positive impacts they have in their communities and economies. As the utility programs have moved from Global Energy Partners, to EnerNOC and now to CLEAResult, Russ has maintained strong relationships with key members of the oil and gas industry and pushed for greater energy savings at customer leases. Participating oil producers have received millions of incentive dollars over the years.

He and his wife, Catherine, have been married 22 years and have three children. When not at work, Russ volunteers with the Boy Scouts of America and dabbles in marathons and Ironman triathlons.

Terra Talk

Summer has flown by and the kids are headed back to school in the coming weeks. Many children in our community lack the basic school supplies necessary for them to be successful in the classroom. These students need school supplies such as backpacks, notebooks, pencils, erasers, crayons, pencil sharpeners, calculators, folders, etc. API would like to do our part and here's how we can help:

Donations may be dropped off at the Bakersfield Homeless Center located at 1600 E Truxtun Ave. or at the KGET Studio located at 2120 L St. between 8:00am– 5:00pm. The School Supply Drive will run through August 12th and backpacks and school supplies will be distributed on August 13th. Your generosity and community involvement are greatly appreciated!!

We're sad to report that Casino Night was canceled due to low participation and will shoot for another event in the summer of 2017. Refunds will be issued to the folks that purchased tickets as well as our sponsors. Many thanks to Summit ESP and Total Western for sponsoring the event. Our Networking Social Chair, Chad Horton is hard at work planning a Social on August 18th at 1933 and we look forward to seeing you there. (See flyer in newsletter)

Fall Fun Shoot is scheduled on September 30th at Five Dogs Shooting Range. You may purchase teams and sponsorship packages directly on the website at www.apibakersfield.com. Super Prize tickets are also available for purchase for \$20.00 each or 6 for \$100.00. Please contact Jim Roberts [661/805-5766](tel:661/805-5766) or Russell Thibodeaux [661/302-6899](tel:661/302-6899) if you have additional questions.

The 32nd Annual Oil Baron's Ball will be held on November 19, 2016 at the Doubletree Hotel. Our first Ball Committee Meeting will be held at the Petroleum Club on August the 9th at 6:00pm. If you're interested in volunteering on this committee, please plan on attending this meeting.

2016 Oil Baron's Ball Nomination Deadline: August 15, 2016 (Email your nomination to apibakersfieldchapter@gmail.com and sandy@imprint4us.com). We need nominations for Baron, Baroness, theme, and decoration ideas. Criteria for Oil Baron or Oil Baroness: Significant contribution to API and/or oil industry. Go to our web site and review past Baron and Baroness and submit your nomination.

If you or someone you know is interested in serving on the 2017 API Board, please email me your nomination by September 5th apibakersfieldchapter@gmail.com. Our Nomination Committee will be appointed in September and all submittals will be reviewed and considered.

API Annual Sponsorship Packages are now available. Thank you Chevron for supporting the API and stepping up as our first Sponsor. (see flyer in newsletter) Please join me in congratulating Mr. & Mrs. Melnyk and Mr. & Mrs. Thibodeaux. Both families welcomed their baby girls on July 26th only a few hours apart. With baby girl Lencioni that makes 3 API baby girls in the last 6 weeks. How awesome is that?

As always, I love to hear your feedback. Please feel free to call or email your comments or suggestions to [661/340-8932](tel:661/340-8932) or apibakersfieldchapter@gmail.com.

I look forward to seeing you at the August Meeting!

Terra Gaines

Dear Fellow API Members, Supporters, & Volunteers,

My name is Terra Gaines and I'm truly honored to serve as your 2016 Chairman of the American Petroleum Institute, SJVC. I've been an active API Board Member since 2012, serving as Vice-Chairman, Secretary, and Community Involvement Chair. The San Joaquin Valley Chapter of the American Petroleum Institute is a non-profit organization comprised of petroleum related professionals. We strive to foster a spirit of cooperation among those directly or indirectly engaged in the production of oil or gas by encouraging a free exchange of ideas among members. We support several community organizations as well as educational programs each year, and we are proud to award API Scholarships to local students pursuing careers in the petroleum industry or a closely related field. API awarded \$83,000 to 48 Scholarship Recipients in June of 2016 and our goal is to exceed this years' efforts in 2017.

In an effort to support and further our future goals, we are seeking community partners. We have 4 customizable sponsorship packages available for your consideration. I've included suggested package details however, we can contour packages based on your individual or company needs and requirements.

API ticket and event management is an option available to you

⇒ Platinum

⇒ Silver

⇒ Black Gold

⇒ Bronze

API is a recognized 501c3 non-profit organization and your partnership contribution is 100% **tax deductible 95-3086622**. We are committed to investing in the future of our youth, industry, and community; your generosity and support are greatly appreciated!

Please continue to support the American Petroleum Institute, SJVC by attending our monthly meetings, participating in our major events: Golf Tournament, Casino Night, Fall Fun Shoot, Oil Baron's Ball, Networking Socials, sponsorships, volunteering, guest speaking, and etc.

Thank you for making a difference in our community!

THANK YOU FOR YOUR CONTINUED SUPPORT!

API 2016 Scholarship Dinner

On June 21, API held it's annual Scholarship Dinner and awarded over \$83,000 to 48 recipients! We want to give special thanks to this year's Scholarship Committee; Dan Sliter, James McClard, and Matt Kedzierski for their time and effort going through each application and passing out the scholarships at the dinner. API would like to thank of those who sponsored a family for the dinner. Each recipient was allowed to bring two guests to watch them receive their awards. We also want to thank every one who supports API. Whether it's attending our monthly dinners and purchasing raffle tickets, playing and/or sponsoring our annual golf tournament and Fall Fun Shoot, and donating their time at various events, you all made this possible. Even with a downturn in our local economy, we still exceeded our goal of scholarships. Thank you all!

API 2016 Scholarship Dinner

Dear James McClard,

My name is Christian Palacios and I was recently awarded a scholarship from your organization. The money you awarded me will be a huge help in offsetting out-of-state tuition at Colorado School of Mines.

I just wanted to say thank you so much for your support and aid in helping me achieve my dream of becoming a Petroleum Engineer.

- Regards
Christian Palacios

Dear Mr. McClard,

I just wanted to thank you very much for awarding me with the API Scholarship! Your support and generosity will definitely contribute to my success at the Colorado School of Mines. So again, thank you for the blessing.

Best Regards,
Jordan Lopez

Mr. McClard and Mr. Sliter,

I just wanted to thank you again for the scholarship you offered to my son, Jonathan Oliver. We are very appreciative of the API members' generous scholarship to our son. He has worked so hard these past four years and I know he will "make you proud" as he works towards a degree in chemical engineering.

I would also like to thank you for the wonderful dinner and program that was presented. It was such an enjoyable evening and the pictures with the recipients were very entertaining.

Thank you again for such a great opportunity.

FRACTURED — A bold new film from the director of spOILed!

FRACTURED makes the case that virtually every word and phrase we use when we talk about energy production and consumption is wrong and that these incorrect terms cause people to believe in expensive, dangerous illusions. “What the Frack,” “Fossil Fuel,” “Alternative Energy,” “Clean Energy,” “Climate Change Denier,” “Mother Nature”—all of these terms and others cause people to irrationally believe that traditional energy sources are bad. The film flips these terms and exposes the motivations and hypocrisy of anti-energy activist groups and outright frauds such as the films GasLand and GasLand II.

The film is produced in the same entertaining, provocative and highly informative way that audiences appreciated with “spOILed.”

The documentary is shot and we are in the home stretch of editing. We need your help to finish the film and spread it's pro-energy message far and wide by participating in the Fractured crowd funding campaign. We hope you will participate in the crowd fund campaign and tell everyone in your network about this important film.
