TOPIC: Introduction to LATERALSCIENCE

September's Technical Speaker is Keith Rabb. Keith will be presenting on LATERALSCIENCE. Keith is the C&J Energy Services LateralScienceSM Product Champion. He has nearly 19 years of oilfield experience in a variety of capacities including field operations, training, operations management, technology deployment, business development and sales. Keith joined Casedhole Solutions in January of 2009, which was acquired by C&J in 2012. In his current capacity, he has been processing, analyzing and introducing LateralScienceSM to customers and industry stakeholders as part of C&J's vertically integrated suite of oilfield solutions and field driven technologies.

General Meeting Reservations

Please RSVP to apibakersfieldchapter@gmail.com or Eddie Gutierrez at 661-440-5008 by 4:00 PM the Monday prior to the meeting. Include your dinner choice of steak, chicken, salmon, or vegetarian. It is important that we have an accurate head count with food selections turned in to the Petroleum Club the day before the event. Your timely response ensures appropriate seating is made available and that everyone gets their preferred dinner choice.

Super Prize Raffle

September's General Meeting SUPER Prize valued at over \$200 is sponsored by Gary Watts with NorCal Pipeline. Tickets can be purchased at the dinner and remember all proceeds from the Super Raffle goes towards the API's General Scholarship Fund! You can go home a winner like Charlie Johnson who won this golf package at the August General Meeting!

Terra Talk

First things first! I want to thank Chad Horton – Tiger Wireline & Ryan Knapp – Enterprise Car & Truck Rental for sponsoring the API Networking Social at 1933 on August 18th. We had a fantastic turn out and your generosity was greatly appreciated. I'd also like to thank each of you who contributed to the Bakersfield Homeless Center Backpack Drive last month. The KGET lobby was over-flowing with backpacks and supplies and your contributions definitely benefited children in need in our community.

Fall is fast approaching and the API September – December line up brings a variety of exciting events. If you'd like to get involved with API, here are several ways to do so:

The next Adopt-A-Highway Trash Cleanup is scheduled on September 24, 2016 at 7:00am. We meet at the Golden Bull on Rosedale Highway/Enos Lane at 7 a.m. and breakfast is provided for volunteers. Please contact Todd Bivens TABivens@aeraenergy.com to sign up for our upcoming event. You may also sign up at the September General Meeting.

2016 Fall Fun Shoot is scheduled on September 30th at Five Dogs Shooting Range. You may purchase sponsorship packages & register teams/individuals directly on the website at www.apibakersfield.com. Super Prize tickets are also available for purchase for \$20.00 each or 6 for \$100.00 and raffle prizes are always welcome. Please contact Jim Roberts [661/805-5766](tel:6618055766) or Russell Thibodeaux [661/302-6899](tel:6613026899) if you have additional questions.

Networking Social Chair: Chad Horton is busy planning a Cigar Night at Stockdale Country Club in October (More information will be released in coming weeks). Please contact Chad if you're interested in sponsoring or attending the event chad.horton@tigerhd.com.

The 32nd Annual Oil Baron's Ball will be held on November 19, 2016 at the Doubletree Hotel. This years' theme "Those were the Days" was inspired by Mike Handren as an uplifting reminder of the good ol' days when we celebrated \$100/barrel oil. Colors: Black, Gold & Green. This is a Black Tie Affair, ladies and gentlemen please come dressed in formal attire. 2016 Baron & Baroness Nominees: James McClard, David Budy, Alan White, Dan Sliter, Terra Gaines, Jodi King, Christina Lencioni, and Shannon Grove. Please contact Sandy Sons sandy@imprint4us.com or Jimmy Dean jimmyedean@outlook.com for more information.

Community Involvement: API will be volunteering at the Holiday Lights Festival at C.A.L.M. again in December (Dates TBD). Due to the overwhelming response the last few years, our goal is to volunteer 3 nights instead of 2 in 2016. Stay tuned for more information from Matt Melnyk.

If you or someone you know is interested in serving on the 2017 API Board, please email me your nomination by September 23rd apibakersfieldchapter@gmail.com. Our Nomination Committee was appointed September 6th and will be reviewing each submittal in the coming weeks.

API Annual Sponsorship Packages are now available. Thank you Chevron for supporting the API and stepping up as our first Sponsor. (see flyer in newsletter)
As always, I love to hear your feedback. Please feel free to call or email your comments or suggestions to [661/340-8932](tel:6613408932) or apibakersfieldchapter@gmail.com.

I look forward to seeing you at the September Meeting!

Dear API Board,

My name is Zoeë Harber and I would like to take the opportunity to thank you for the scholarship I was awarded. Words cannot express the depth of my gratitude for the award. The money I was granted has been an immense help in starting off my college career, which I am very much looking forward to. I know I may not have had the best GPA out of the candidates and sincerely appreciate that I was selected to receive the check. I was ecstatic when I was notified that I would be awarded some amount of money, and even more so when I opened the check. I would specifically like to thank Dan Slider for his contribution in making sure I figured out all of the details, as well as everyone who was at the award dinner for making it such a pleasant experience.

Once again my sincerest thanks,

Zoeë Harber

Dear Fellow API Members, Supporters, & Volunteers,

My name is Terra Gaines and I'm truly honored to serve as your 2016 Chairman of the American Petroleum Institute, SJVC. I've been an active API Board Member since 2012, serving as Vice-Chairman, Secretary, and Community Involvement Chair. The San Joaquin Valley Chapter of the American Petroleum Institute is a non-profit organization comprised of petroleum related professionals. We strive to foster a spirit of cooperation among those directly or indirectly engaged in the production of oil or gas by encouraging a free exchange of ideas among members. We support several community organizations as well as educational programs each year, and we are proud to award API Scholarships to local students pursuing careers in the petroleum industry or a closely related field. API awarded \$83,000 to 48 Scholarship Recipients in June of 2016 and our goal is to exceed this years' efforts in 2017.

In an effort to support and further our future goals, we are seeking community partners. We have 4 customizable sponsorship packages available for your consideration. I've included suggested package details however, we can contour packages based on your individual or company needs and requirements.

API ticket and event management is an option available to you

⇒ Platinum

⇒ Silver

⇒ Black Gold

⇒ Bronze

API is a recognized 501c3 non-profit organization and your partnership contribution is 100% **tax deductible 95-3086622**. We are committed to investing in the future of our youth, industry, and community; your generosity and support are greatly appreciated!

Please continue to support the American Petroleum Institute, SJVC by attending our monthly meetings, participating in our major events: Golf Tournament, Casino Night, Fall Fun Shoot, Oil Baron's Ball, Networking Socials, sponsorships, volunteering, guest speaking, and etc.

Thank you for making a difference in our community!

API Adopt A Highway

Our next event will be Saturday September 24, 2016. We need volunteers to help clean up Enos Ln. Between Stockdale Hwy and Rosedale Hwy. We will meet at the Golden Bull restaurant 22460 Rosedale Hwy at 7:00AM. After breakfast and social hour we will hit the highway. Interested volunteers should email Todd Bivens at tbivens@bak.rr.com or sign up at the September general meeting.

Adopt A Highway

API Fall Fun Shoot

Our annual Fall Fun Shoot will be held Friday September, 30 at Five Dogs S Dogs Shooting Range with sign in and breakfast starting at 6:30 am. This year, we are happy to announce that Beretta will be at the shoot showcasing their line of shotguns so shooters will be able to try out their shotgun line.

We're excited and we know you will be too! Also, due to hard times in our industry, we know that it may be tough to get a team together. We want to remind you that if getting a team is not in your budget, we do offer an individual shooter package at \$125.00 per shooter. When you sign up, we'll put you on a team. We look forward to seeing everyone there and continuing this great event!

If you are interested please contact SPE's community outreach coordinator, Allison Escovedo, aescovedo@ebresources.com.

API 2016 Scholarship Dinner

On June 21, API held it's annual Scholarship Dinner and awarded over \$83,000 to 48 recipients! We want to give special thanks to this year's Scholarship Committee; Dan Sliter, James McClard, and Matt Kedzierski for their time and effort going through each application and passing out the scholarships at the dinner. API would like to thank of those who sponsored a family for the dinner. Each recipient was allowed to bring two guests to watch them receive their awards. We also want to thank every one who supports API. Whether it's attending our monthly dinners and purchasing raffle tickets, playing and/or sponsoring our annual golf tournament and Fall Fun Shoot, and donating their time at various events, you all made this possible. Even with a downturn in our local economy, we still exceeded our goal of scholarships. Thank you all!

API 2016 Scholarship Dinner

Dear James McClard,

My name is Christian Palacios and I was recently awarded a scholarship from your organization. The money you awarded me will be a huge help in offsetting out-of-state tuition at Colorado School of Mines.

I just wanted to say thank you so much for your support and aid in helping me achieve my dream of becoming a Petroleum Engineer.

- Regards
Christian Palacios

Dear Mr. McClard,

I just wanted to thank you very much for awarding me with the API Scholarship! Your support and generosity will definitely contribute to my success at the Colorado School of Mines. So again, thank you for the blessing.

Best Regards,
Jordan Lopez

Mr. McClard and Mr. Sliter,

I just wanted to thank you again for the scholarship you offered to my son, Jonathan Oliver. We are very appreciative of the API members' generous scholarship to our son. He has worked so hard these past four years and I know he will "make you proud" as he works towards a degree in chemical engineering.

I would also like to thank you for the wonderful dinner and program that was presented. It was such an enjoyable evening and the pictures with the recipients were very entertaining.

Thank you again for such a great opportunity.

FRACTURED — A bold new film from the director of spOILed!

FRACTURED makes the case that virtually every word and phrase we use when we talk about energy production and consumption is wrong and that these incorrect terms cause people to believe in expensive, dangerous illusions. “What the Frack,” “Fossil Fuel,” “Alternative Energy,” “Clean Energy,” “Climate Change Denier,” “Mother Nature”—all of these terms and others cause people to irrationally believe that traditional energy sources are bad. The film flips these terms and exposes the motivations and hypocrisy of anti-energy activist groups and outright frauds such as the films GasLand and GasLand II.

The film is produced in the same entertaining, provocative and highly informative way that audiences appreciated with “spOILed.”

The documentary is shot and we are in the home stretch of editing. We need your help to finish the film and spread it’s pro-energy message far and wide by participating in the Fractured crowd funding campaign. We hope you will participate in the crowd fund campaign and tell everyone in your network about this important film.
