CHAIRMAN'S CORNER

Happy New Year everyone. To those of you that don't know me my name is Jimmy Dean and I am proud to be your Chairman for 2017. I have been a member of API-SJVC for 14 years and Membership Chairman for 12 of those years.

We had a good year last year despite the downturn in economy. We awarded \$83,000 to 48 Scholarship recipients. Relay for Life and Pyle's Boys Camp each received significant amounts. All donations were down from previous years but it wasn't because we didn't try. The economy also affected our membership. We lost a lot of members due to layoffs and job relocation. Thus, we have several new Board Members. I am confident that we will get our membership back on the right track.

Bakersfield is a caring community. There are many charitable events that some of our API members participate in and if we give these events more attention to help promote their cause API might get more support. It is my goal for API-SJVC to band together and raise as much money for our Kern County API Scholarship fund as possible.

I want all of us to have a great time supporting our fantastic organization. I'm going to do my best to make this happen. I have a great Board to help make this happen, so please make the first API San Joaquin Valley Dinner Meeting and meet all of us.

Thanks to all of you for making The American Petroleum Institute, San Joaquin Valley Chapter what it is.

Jimmy Dean

2017 Chairman – American Petroleum Institute, SJVC

Black Gold Production

“Murder At Crooked House” is coming in March!

Black Gold’s 2017 show is coming March 3 through 11, 2017. Tickets are available from board members or online at www.bgp-show.com. This promises to be a very fun show for the entire family, so get on board to support the Kern County Cancer Fund and the API Scholarship Fund and have a good time while doing it!

There are sponsorship opportunities to help us in our fight against cancer and incentives for the sponsors. If you are interested in becoming one of our sponsors, please contact Mike Handren at mhandren@yahoo.com, or (661) 330-0423.

The story in brief:

In this spoofy, musical murder whodunit, Hercules Porridge Jr., son of the famous Hoboken detective of the same name, just might solve the mystery. Or he might not. Overcoming his ineptness to investigate the goings on at Crooked House, a seedy hotel where the guests pay outrageous rent for shoddy service, he discovers what they are actually paying is BLACKMAIL! Adding murder to the mystery, a corpse is discovered in the sitting room, and a beautiful secretary is done in by deadly orchid juice. This is classic Tim Kelly at his best, full of eccentric characters, including mystery writer Anguish Crispie, a curious young man in safari attire, a strange actress, a crackpot colonel, and a directionally-challenged butler. With a rousing and haunting score by the amazing Bill Francoeur, this campy private eye musical comedy is worth further investigation!

Networking Events

We will be hosting our first networking social in February with date, time, and location still to be determined. If you are interested in sponsoring a social, please reach out to Chad Horton at chad.horton@tigerwireline.com. We have different sponsorships available and dates available throughout the year.

Adopt A Highway

API Board members and volunteers will be participating in several highway cleanups in 2017. The area we provide cleanup is Highway 43 between Rosedale and Stockdale Highways. Todd Bivens will be providing dates to everyone when dates have been scheduled.

On June 21, API held it's annual Scholarship Dinner and awarded over \$83,000 to 48 recipients! We want to give special thanks to this year's Scholarship Committee; Dan Sliter, James McClard, and Matt Kedzierski for their time and effort going through each application and passing out the scholarships at the dinner. API would like to thank of those who sponsored a family for the dinner. Each recipient was allowed to bring two guests to watch them receive their awards. We also want to thank every one who supports API.
