

The San Joaquin Valley chapter of the API would like to thank the 10 volunteers for giving up part of their Saturday morning to help us clean up Enos Ln between Stockdale Highway and Rosedale highway on Saturday September 23, 2017. We gathered at 7:00AM for breakfast and social time before hitting the highway. After a brief safety meeting the volunteers filled up 15 bags of trash and dragged several large items to the shoulder of the road in just under 90 minutes. Afterwards we had a little competition to see who found the most valuable item and the most unique item. This was a fun and successful event thanks to the efforts of the volunteers. Thanks once again for sacrificing your time and energy. Pictured below are the volunteers: Sherry Brew, Luis Lopez, Nivia Lopez, Eddie Gutierrez, Dora Gutierrez, Tim Frame, Kathleen Frame, Vance Manning, Harold Staat, Not Pictured Todd Bivens. Most Valuable find went to Luis Lopes for a pocket Knife and Most Unique went to Tim Frame for something very unique. See picture below and decide for yourself.
