

Topic: "Defense Against Active Shooter Scenarios."

Roosevelt Scott Jr.

Roosevelt (Rosie) Scott, Jr. is the owner of Triple Threat Solutions. He started his personal protection journey in the U.S. Marine Corps as a Weapons and Tactics instructor and has taught everything from handguns to heavy machineguns.

In the Marines, Roosevelt was a team leader of a Special Response Team, which provided security for executives of the U.S. Department of Energy.

Roosevelt trained with the L.A.P.D. SWAT, British Special Air Service (S.A.S), the FBI'S Hostage Rescue Team (HRT), Israeli Anti-terrorist Team and numerous other teams around the world.

Just after 9/11, Roosevelt worked an executive protection detail at Disney, Sony, Paramount studios, Warner Brother Studios and Records. After 13 years in the Marines, Roosevelt began working as a Bakersfield police officer.

After 10 years with the BPD, Roosevelt was medically retired for an injury in the line of duty. Not wanting to sit still, he worked 13 years at the Kern County District Attorney's office as a Criminal Investigator, Terrorism Liaison Officer (TLO) and Rangemaster. As a TLO, he networked with agencies around the world under the U.S. Department of Homeland Security to combat terrorism.

Roosevelt is a Peace Officer Standards and Training Rangemaster, Handgun, Rifle and Shotgun instructor. He's also a Concealed Carry Weapons (CCW) instructor, NRA Pistol instructor, California Department of Justice and Firearms Instructor.

Roosevelt earned a dual Associate's Degree in Psychology and Administration of Justice through Bakersfield College and in December of 2017, he earned a Bachelor's degree in Organizational Leadership through Fresno Pacific University. Roosevelt still serves with the military as a Master Sergeant providing weapons instruction to deploying and home based California National Guard soldiers.

General Meeting:
Tuesday, April 17, 2018

General Meeting Speaker Will Start Earlier As His Topic Will Require More Time Than Normal.

MEMBERSHIP UPDATES TAKING EFFECT AT ALL 2018 MEETINGS:

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We encourage you to prepay for your dinner on our website at [Pay On Line](#). If you cannot prepay online, please contact [David Budy](#) for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please send in your RSVP to apibakersfieldchapter@gmail.com no later than 4:00 PM on Monday, January 15th. (If you RSVP without pre-paying, you will not be entered into the drawing.)

Super Prize Raffle:

April's General Meeting SUPER Prize valued at over \$200 is sponsored by Jay Haney with Sage Rider West. Tickets can be purchased at the dinner and remember all proceeds from the Super Raffle goes towards the API's General Scholarship Fund! You could win a yeti like our last months winner at our March Meeting! Enjoy your Yeti!

Hello, fellow API members! Here we are in April and the weather is great. We endured our three weeks of winter and now are enjoying the spring. Easter has come and gone, and the API / Black Gold Productions show is behind us. The show was successful and I am pleased to report that we will be contributing \$6,000 to the Kern County Cancer Fund at the Campout Against Cancer tomorrow, April 7, 2018. I want to thank all of the API members and their friends and family that volunteered to help at the show. Tim Frame did a great job managing all of that volunteer activity and made it look effortless.

This month we will have our fourth meeting of the year. Attendance has been great so far and we seem to be having a lot of fun at the meetings. Let's continue to support the API with attendance at the monthly meetings and continue to invite new potential members or anybody that you think might enjoy the networking opportunities that our meetings provide. The social hour will be in the main ballroom this month, so there will not be a Tech Session. That means we will have an extra-long social hour to network! Please remember to RSVP and pay for the dinner here at our website: <http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>.

We have the annual golf tournament coming up next month on Friday, May 4, 2018. We have filled three courses with a morning flight only, so more people can come to the post-tournament party and raffle at Sundale Country Club. With the 8:00 AM shotgun start, we should be finished with golf by 1:30 and doing the raffles and awards by 2:00 PM. Come and join us for that.

We have added a pre-tournament putting contest on Thursday evening May 3, 2018 for those of you who would like to get an early start on your API golf experience. The putting contest details are in the newsletter, so check it out and come on out!

As most of you know, we do these fund-raising events to provide some fun and camaraderie among the members of the API and the oil industry in general, and to provide money for our scholarship fund. Last year we awarded \$42,000 in scholarships and hope to do that much or more this year. The application deadline has passed and the scholarship committee is evaluating the applications that we received. The students will be notified next month of any award they have been granted, and we will introduce all of the award recipients at our June meeting. So please plan to attend that meeting to see all of the smiling faces, some of whom could be the future leaders of our industry.

Thanks for your support of our API chapter. I look forward to seeing you at the next meeting.

Your Chairman,

Mike Handren

Announcing the Joint April Networking Bash San Joaquin Valley Sections of API and SPE

Sponsored by:

2018 Scholarship Update

The 2018 SJVC-API scholarship application submission date has come and gone for this year and we are reviewing all of the great essay questions and other information to determine who our recipients will be for 2018. It is always interesting for me to see how the essay questions are answered and what the different perspectives are for each applicant. I have to admit that, over the years, there have been some awesome responses that I was not expecting and viewpoints that were very unique.

As you know, we will finish our review and contact you by May 2nd, 2018 with our determination. Please ensure that after being contacted you send your RSVP's in for yourself and parents who will attend the awards dinner being held on June 19th, 2018 at the Petroleum Club of Bakersfield. You should plan on being there no later than 6:00 PM for a photo opportunity which will be posted on our website after the awards.

If you have any questions, please contact James McClard at (661) 330-0597 or james.mcclard@bhge.com.

I look forward to seeing each of you in the near future.

Prize - 50% of the total cash pot.
.....

Private Tailgate Party & Check-In Begins at **5:30 PM**
Putting Contest Begins at **5:45 PM**

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)

Company logo and promotional items can be promoted at sign in/raffle table during the social

Social event turnout is typically 40-60 industry related people

Event will be promoted at API general meeting and API newsletter (600+ industry related emails)

Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

Cost can range from \$600 - \$2,000+

Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest

Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)

We can work with any budget

If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact

Bryce Horton – Bryce.horton@bakerhughes.com (661.319.5038)

Paul Piker – Ppiker@trb-oil.com (661.340.4642)

To Our Community Members:

On behalf of the Wounded Heroes Fund, I would like to request a donation of a live or silent auction item for the upcoming Evening with American Heroes taking place on May 5, 2018. The event will be an unforgettable evening you'll be talking for days to follow as two Special Operation Heroes share riveting, personal and captivating stories of their memorable service in an elite unit.

The purpose of the Wounded Heroes Fund is to honor and acknowledge the servicemen and women who have sacrificed everything for their country and its citizens. We are working hard to give recognition and raise awareness for the service members and their families.

One of the primary goals of our foundation is to help local wounded servicemen and women with any needs that may arise when returning home. With your help, we will be able to accomplish this and much more.

The Kern County Wounded Heroes Fund has not-for-profit status under Section 501(c)(3) of the Internal Revenue Code (Tax ID/EIN: 80-0215850). Your donation is 100% tax deductible. No goods or services were provided in exchange for your contribution.

Once again, thank you for your support.

Warmest Regards,

Wendy Porter

The **Offshore Energy Center** is dedicated to expand the awareness of the vast energy resources beneath the world's oceans, and to chronicle the unique heritage and technological accomplishments of the industry that discovers, produces, and delivers these resources in a safe and environmentally responsible way.

The objectives of this mission statement are being met through a three-fold plan developed by the Center:

Ocean Star Offshore Drilling Rig & Museum. Visitors to the Ocean Star Offshore Drilling Rig & Museum enjoy experiencing the offshore industry first-hand on an actual retired jack-up drilling rig. The museum features three floors of models and interactive displays illustrating the exciting story of offshore oil and gas from seismic technology and exploration and production to pipelining and marine transportation.

Hall of Fame. The Hall of Fame recognizes those persons and technologies that took the industry to sea. Our Pioneers are individuals who distinguish themselves and become the character of the industry through their vision, drive, innovation, and leadership. The Hall of Fame also honors the individuals and companies that contributed to the development of the technologies. Additionally, in 2000, the Pinnacle Award was established to honor contemporary individuals for their contributions and inspirational leadership to the offshore industry.

Education Outreach Programs. Through the Education Outreach Programs, the Offshore Energy Center is committed to promoting awareness and understanding of offshore energy among students and educators. Through teacher workshops, field trips, traveling exhibits, and curriculum materials, existing knowledge is enhanced with information about offshore oil and gas and an awareness of offshore energy's high technology is supported. Additionally, the program is designed to develop an understanding of offshore energy's contribution to the environment and our quality of life.

The **Offshore Energy Center** is based in Houston, the world's energy capital. The **Ocean Star Offshore Drilling Rig & Museum** is docked at Pier 19 in Galveston, less than an hour from downtown Houston, which makes it a wonderful showcase in a perfect location for an "offshore" experience.

Need to pay for your monthly meeting? How about that membership that you've been meaning to renew? Or that event that you're sponsoring...visit the API website! Start paying the easy way with API's Pay Online options.

The website also has a lot of information about our chapter's events. Visit the website today and see what you're missing! Contact Steve Schauer with any comments or issues with the site, steve.schauer@titancoioltools.com.

Newsletter Sponsorship

If you are interested in helping API while advertising your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same ad on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page ads. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to David Budy, dbudy@sentinelpeakresources.com. Graphics can be provided to Gary Watts, gary@norcalpipe.com.

Size	Monthly	Yearly
Business Card	\$30	\$200
Half Page	\$100	\$700
Full Page	\$200	\$1,400

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. We want to thank Chevron for being API's first corporate sponsor and look forward to seeing their employees at our future events. There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com

Dear Fellow API Members, Supporters, & Volunteers,

The San Joaquin Valley Chapter of the American Petroleum Institute is a non-profit organization comprised of petroleum related professionals. We strive to foster a spirit of cooperation among those directly or indirectly engaged in the production of oil or gas by encouraging a free exchange of ideas among members. We support several community organizations as well as educational programs each year, and we are proud to award API Scholarships to local students pursuing careers in the petroleum industry or a closely related field. API awarded \$42,000 to 23 Scholarship Recipients in June of 2017 and our goal is to exceed last years' efforts in 2018.

In an effort to support and further our future goals, we are seeking community partners. We have 4 customizable sponsorship packages available for your consideration. I've included suggested package details however, we can contour packages based on your individual or company needs and requirements.

API ticket and event management is an option available to you

⇒ Platinum

⇒ Silver

⇒ Black Gold

⇒ Bronze

API is a recognized 501c3 non-profit organization and your partnership contribution is 100% **tax deductible 95-3086622**. We are committed to investing in the future of our youth, industry, and community; your generosity and support are greatly appreciated!

Please continue to support the American Petroleum Institute, SJVC by attending our monthly meetings, participating in our major events: Golf Tournament, Casino Night, Fall Fun Shoot, Oil Baron's Ball, Networking Socials, sponsorships, volunteering, guest speaking, and etc.

Thank you for making a difference in our community!

(All packages are customizable based on your company preference and requirements)
