

Ray Clanton

Ray Clanton is Senior Engineering Advisor with California Resources Corporation in Bakersfield, Ca. He has over 40 years of experience in the oilfield, which included various operational and technical positions at Texaco, BLM, Bechtel, Aera Energy and California resources Corporation, mainly in California. He has a professional engineering license in California, and holds BS degree in petroleum engineering from University of Wyoming, and an MBA degree from Cal State University Bakersfield, where he is an engineering lecturer. Ray is a winner of multiple industry awards, including 2006 Meritorious Award for Engineering Innovation, and the 2012 SPE Production and Operations Award for outstanding contributions to the industry. He has been a long-time member of the API.

MEMERSHIP UPDATES TAKING EFFECT AT ALL 2018 MEETINGS:

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We encourage you to prepay for your dinner on our website at [Pay On Line](#). If you cannot prepay online, please contact [David Budy](#) for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please send in your RSVP to apibakersfieldchapter@gmail.com no later than 4:00 PM on Monday, January 15th. (If you RSVP without pre-paying, you will not be entered into the drawing.)

Super Prize Raffle:

June's General Meeting SUPER Prize valued at over \$200 is sponsored by Robin Brassfield-Cooper with Robin's Envirovac. Tickets can be purchased at the dinner and remember all proceeds from the Super Raffle goes towards the API's General Scholarship Fund! You could win a Kitchen Aid Mixer like our last months winner Dustin Moreno at our May Meeting! Enjoy your mixer Dustin!

SERVING THE OIL INDUSTRY FOR 50 YEARS!

The company was founded by Charlie Beard in March 1967. Charlie always had the passion and drive to own his own business and was receptive when he was approached by a superintendent from Gulf Oil Company who asked if he would be interested in getting a rig that would later be put to work for Gulf. Rig One was built just south of Taft on historic 25 Hill and operated by Charlie. Three more rigs were added later, laying the foundation for an up and coming well servicing business.

GPS has survived nearly fifty years in the oil industry because of one thing—the company's diligence and commitment to safety and ability to change its practices depending on the wants and needs of its customers. This strong commitment to change has allowed GPS to be successful in a highly competitive industry.

GPS, which started with one rig and three employees, has grown to more than 450 employees working for Aera Energy, Linn Energy, E&B Natural Resources, McPherson Oil Company, Phillips 66, California Resource Company and many other independents around the valley.

The company now has twenty-three doubles and thirty-seven singles, along with a construction division that includes heavy equipment, cranes, welding trucks and an aggregate trucking division.

In 2011, Charlie made Rusty Risi, a long-time employee, his partner and turned the day-to-day operations over to him. Rusty came to GPS from New York in 1979 and learned the business from the ground up. The warm relationship they built has kept the company growing and the company's family atmosphere alive. At GPS, employees feel they are part of something great and the company could not have enjoyed the success it has had without the dedication of all those working in the office and in the field.

General Production Service is dedicated to the future and is working to ensure that new and innovative ideas continue to foster growth with a positive impact on safety, the environment, and the industry.

2018 GOAL

Scholarship Dinner Sponsors Needed!

We are pleased to announce that the SJVC-API will be awarding 30 scholarships to deserving young local students on Tuesday, June 19, 2018 at the Petroleum Club. You can see the list of these impressive students below. Students will receive their awards, and they and their guests will be treated to the dinner of their choice. If you would like to sponsor a student's family for the evening, the cost is \$90.00 and can be done in their honor. Unless you tell us not to, the API will recognize your generous contribution at the June dinner meeting and in next month's newsletter. If you would like to sponsor a family, you can pay online here [Sponsor a family](#), or contact David Rudy at drudy@sentinelresources.com or james.mcclell@bhce.com for more information or payment options. Remember that the sponsorship deadline is Monday, June 18, 2018.

"2018 SJVC-API Scholarship Recipients"

1. Emily Aldritt	Environmental Engineering	Baylor University
2. Chandler Barts	Mechanical Engineering	UCSB
3. Lee Begin	Mechanical Engineering	Colorado School of Mines
4. Brian Bender	Biology	Cal-Lutheran University
5. Kailey Blair	Science & Engineering	University of Pennsylvania
6. Luke Champness	Chemical Engineering	Undecided
7. Kaitlyn Cooper	Communication Science	Undecided
8. Shivani Gupta	Biomedical Engineering	College of New Jersey
9. Jared Hanson	Geology	BCC
10. Nickolaus Harbor	Mechanical Engineering	CSU-LB
11. Tanner Hill	Petroleum Engineering	Montana Tech
12. Cheyenne Hornbuckle	Chemical Engineering	University of Kansas
13. Jordan Lopez	Mechanical Engineering	Colorado School of Mines
14. Bradley McClard	Chemical Engineering	BCC
15. Catherine McIntosh	Mechanical Engineering	University of Victoria
16. Austin Molton	Geology	CSUB
17. Victoria Nguyen	Chemical Engineering	Cal Poly-Pomona
18. Aida Olivo	Electrical Engineering	UC Davis
19. Therese Pace	Mechanical Engineering	UC Irvine
20. Sierra Pilgrim	Communication	Taft College
21. Madison Ridley	Chemical Engineering	Cal Poly-Pomona
22. Jeremy Roberts	Computer Engineering	Cal Poly-SLO

28. Alphonso Warren	Electrical Engineering	UC Berkeley
29. Andrew Wilbur	Chemical Engineering	University of Alabama
30. Alejandra Zapata	Energy Resource Engineering	BCC

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)

Company logo and promotional items can be promoted at sign in/raffle table during the social

Social event turnout is typically 40-60 industry related people

Event will be promoted at API general meeting and API newsletter (600+ industry related emails)

Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

Cost can range from \$600 - \$2,000+

Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest

Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)

We can work with any budget

If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact

Bryce Horton – Bryce.horton@bakerhughes.com (661.319.5038)

Paul Piker – Ppiker@trb-oil.com (661.340.4642)

The **Offshore Energy Center** is dedicated to expand the awareness of the vast energy resources beneath the world's oceans, and to chronicle the unique heritage and technological accomplishments of the industry that discovers, produces, and delivers these resources in a safe and environmentally responsible way.

The objectives of this mission statement are being met through a three-fold plan developed by the Center:

Ocean Star Offshore Drilling Rig & Museum. Visitors to the Ocean Star Offshore Drilling Rig & Museum enjoy experiencing the offshore industry first-hand on an actual retired jack-up drilling rig. The museum features three floors of models and interactive displays illustrating the exciting story of offshore oil and gas from seismic technology and exploration and production to pipelining and marine transportation.

Hall of Fame. The Hall of Fame recognizes those persons and technologies that took the industry to sea. Our Pioneers are individuals who distinguish themselves and become the character of the industry through their vision, drive, innovation, and leadership. The Hall of Fame also honors the individuals and companies that contributed to the development of the technologies. Additionally, in 2000, the Pinnacle Award was established to honor contemporary individuals for their contributions and inspirational leadership to the offshore industry.

Education Outreach Programs. Through the Education Outreach Programs, the Offshore Energy Center is committed to promoting awareness and understanding of offshore energy among students and educators. Through teacher workshops, field trips, traveling exhibits, and curriculum materials, existing knowledge is enhanced with information about offshore oil and gas and an awareness of offshore energy's high technology is supported. Additionally, the program is designed to develop an understanding of offshore energy's contribution to the environment and our quality of life.

The **Offshore Energy Center** is based in Houston, the world's energy capital. The **Ocean Star Offshore Drilling Rig & Museum** is docked at Pier 19 in Galveston, less than an hour from downtown Houston, which makes it a wonderful showcase in a perfect location for an "offshore" experience.

API Website www.apibakersfield.com

Need to pay for your monthly meeting? How about that membership that you've been meaning to renew? Or that event that you're sponsoring...visit the API website! Start paying the easy way with API's Pay Online options.

The website also has a lot of information about our chapter's events. Visit the website today and see what you're missing! Contact Steve Schauer with any comments or issues with the site, steve.schauer@titancoioltools.com.

Newsletter Sponsorship

If you are interested in helping API while advertising your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same ad on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page ads. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to David Budy, dbudy@sentinelpeakresources.com. Graphics can be provided to Gary Watts, gary@norcalpipe.com.

Size	Monthly	Yearly
Business Card	\$30	\$200
Half Page	\$100	\$700
Full Page	\$200	\$1,400

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. We want to thank Chevron for being API's first corporate sponsor and look forward to seeing their employees at our future events. There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com

Dear Fellow API Members, Supporters, & Volunteers,

The San Joaquin Valley Chapter of the American Petroleum Institute is a non-profit organization comprised of petroleum related professionals. We strive to foster a spirit of cooperation among those directly or indirectly engaged in the production of oil or gas by encouraging a free exchange of ideas among members. We support several community organizations as well as educational programs each year, and we are proud to award API Scholarships to local students pursuing careers in the petroleum industry or a closely related field. API awarded \$42,000 to 23 Scholarship Recipients in June of 2017 and our goal is to exceed last years' efforts in 2018.

In an effort to support and further our future goals, we are seeking community partners. We have 4 customizable sponsorship packages available for your consideration. I've included suggested package details however, we can contour packages based on your individual or company needs and requirements.

API ticket and event management is an option available to you

⇒ Platinum

⇒ Silver

⇒ Black Gold

⇒ Bronze

API is a recognized 501c3 non-profit organization and your partnership contribution is 100% **tax deductible 95-3086622**. We are committed to investing in the future of our youth, industry, and community; your generosity and support are greatly appreciated!

Please continue to support the American Petroleum Institute, SJVC by attending our monthly meetings, participating in our major events: Golf Tournament, Casino Night, Fall Fun Shoot, Oil Baron's Ball, Networking Socials, sponsorships, volunteering, guest speaking, and etc.

Thank you for making a difference in our community!

(All packages are customizable based on your company preference and requirements)
