

Adam Bell

Stripes is a native of Rochester, NY and got his start in Youth Development at the most-attended overnight camp in Western New York. He spent a total of 16 summers on their staff, including 5 years as Camp Director. He is an active volunteer with the American Camp

Association, and has received regional and national awards for his volunteer work as an Accreditation Standards Visitor, Local Council of Leaders Member, conference presenter and National Conference Committee Member.

Adam believes strongly in the camp experience and its ability to prepare our young men for life. By spending time away from home, unplugging from technology and being present in the moment, boys can become independent while learning skills that are needed in today's workforce. When it comes to learning and practicing the 21st Century Skills of communication, collaboration, critical thinking and creativity, no environment can compare to a summer camp experience.

**[adam@pylescamp.com](mailto:adam@pylescamp.com)**

## MEMBERSHIP UPDATES TAKING EFFECT AT ALL 2018 MEETINGS:

General Meetings are held on the third Tuesday of each month (January through October) at the 1933 Prohibition Room in Bakersfield, 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7 p.m.

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on Thursday August 16, 2018 and prepay for your dinner on our website at [Pay On Line](#). Your payment is your RSVP. If you cannot prepay online, please contact [David Budy](#) for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to [apibakersfieldchapter@gmail.com](mailto:apibakersfieldchapter@gmail.com) with your choice of menu option.

## Super Prize Raffle:

August's General Meeting SUPER Prize valued at over \$200 is sponsored by Russell Thibodeaux with Key Energy. Tickets can be purchased at the dinner and remember all proceeds from the Super Raffle goes towards the API's General Scholarship Fund! You could win the Super Prize like our last months winner Mr. Riddle at our July Meeting! Enjoy your Yeti!

API San Joaquin Valley Chapter would like to recognize the generosity of the following donors. These companies/individuals have gone above their normal participation with API by providing monetary donations to our general scholarship fund.

\$7,500 – Chevron

\$2,500 – CRC, Shawn Kerns

\$2000 – Enterprise Holdings Inc, Linda Bliss

These donations further support the API San Joaquin Valley Chapter's ability to provide scholarships to students pursuing oilfield related degrees. If you would like to donate or have questions, please contact us at [apibakersfieldchapter@gmail.com](mailto:apibakersfieldchapter@gmail.com). We appreciate all those that donate both time and money to the API.

---

### ATTENTION:

Spots are filling up fast for the Fall Fun Shoot! Please make sure to get your teams entered soon if you plan on making it out to our event. We are looking forward to having another awesome year and looking forward to see you all there. If you have any questions or would like to sign up please contact Jim Roberts at 661-805-5766 or sign up online.

---

### *FROM ONE OF OUR SCHOLARSHIP RECIPIENTS*

Dear Mr. McClard & API,

I would like to take the time to share how grateful I am for the opportunity to take part in the 2018 API scholarship. The scholarship that I received is very much appreciated. I am happy to say that the award will be a tremendous help in my future goals as a Mechanical Engineering student at the University of Idaho. I will be heading off to college in a few weeks and I just wanted to make sure you and the API board knows how thankful I am.

Sincerely,

Nick Harber

### **From One Of Our Scholarship Recipients**

Dear API Scholarship Committee,

Thank you very much for the generous scholarship award. This will go a long way toward paying my tuition at Cal Poly – San Luis Obispo. I really enjoyed the meeting. It looks like the oil industry, though a very serious business, still likes to have a lot of fun. I really appreciated Mr. Clanton's presentation and words of wisdom.

Sincerely,

**Natalie Roberts**

## **We are looking for a theme!**

**The Oil Baron's Ball is coming on Saturday, November 3, 2018!**

Yes, we are looking for a theme for the 2018 Oil Baron's Ball. Some of the themes in the past few years have been: Burning the Midnight Oil, Cinderella, The Great Gatsby, Masquerade, and Wild West. Each of the themes inspired a color and decoration scheme for the decorations, and a dress or costuming theme for those that attended the ball. If you have an idea for a theme for this year's event, please submit the idea and some of the color, decoration, and type of dress details to Robin Brassfield-Cooper at [robinsenvirovac@bak.ir.com](mailto:robinsenvirovac@bak.ir.com). Be sure to put "OBB Theme" in the subject line of your email.

# 2ND Annual Christian Simpson Golf Tournament 2018

Saturday, September 8<sup>th</sup>, 2018

**Buena Vista Golf Course**

Registration and Breakfast @ 6:15AM;

Shotgun Start @ 7:00AM

All donations are appreciated and all of the proceeds go directly to the children and their families fighting childhood cancer at Valley Children's Hospital. **Registration deadline is August 27th**; however, gifts for children are accepted and appreciated anytime.

# SERVING THE OIL INDUSTRY FOR 50 YEARS!

The company was founded by Charlie Beard in March 1967. Charlie always had the passion and drive to own his own business and was receptive when he was approached by a superintendent from Gulf Oil Company who asked if he would be interested in getting a rig that would later be put to work for Gulf. Rig One was built just south of Taft on historic 25 Hill and operated by Charlie. Three more rigs were added later, laying the foundation for an up and coming well servicing business.

GPS has survived nearly fifty years in the oil industry because of one thing—the company's diligence and commitment to safety and ability to change its practices depending on the wants and needs of its customers. This strong commitment to change has allowed GPS to be successful in a highly competitive industry.

GPS, which started with one rig and three employees, has grown to more than 450 employees working for Aera Energy, Linn Energy, E&B Natural Resources, McPherson Oil Company, Phillips 66, California Resource Company and many other independents around the valley.

The company now has twenty-three doubles and thirty-seven singles, along with a construction division that includes heavy equipment, cranes, welding trucks and an aggregate trucking division.

In 2011, Charlie made Rusty Risi, a long-time employee, his partner and turned the day-to-day operations over to him. Rusty came to GPS from New York in 1979 and learned the business from the ground up. The warm relationship they built has kept the company growing and the company's family atmosphere alive. At GPS, employees feel they are part of something great and the company could not have enjoyed the success it has had without the dedication of all those working in the office and in the field.

General Production Service is dedicated to the future and is working to ensure that new and innovative ideas continue to foster growth with a positive impact on safety, the environment, and the industry.

## RELIABLE

## EFFICIENT

## INNOVATIVE

# Oil Can Do It Food Drive

San Joaquin Valley  
Chapter

The Golden Empire Gleaners were founded in 1985. The idea started in a local Bible study group to "glean" food from the local farms and fields that was going to waste, and distribute it to people in need. By the end of 1985 they had a functioning warehouse and had collected 75,000 lbs of food. Over the last 33 years GEG has fed millions of Kern County residents. The current site serves 15,000 people per month.

The GEG mission is to help alleviate hunger and provide food for needy persons of all ages in Kern County. They meet the need through a large network of referring agencies, schools, and religious organizations:

- **Affiliated Agencies** – Serves over 100 churches, missions and shelters
- **After School** – Serves 30 after school and summer programs providing snacks for participating students. Serves families of school children at over 115 participating schools
- **Harvest Time Agencies** – Serves over 70 government agencies and non-profit organizations that identify those in need of emergency food. We also include an opportunity to "Volunteer for Food"
- **Senior Sack** – Serves low-income seniors at 24 sites that include churches and community senior centers

Last year OCCI collected 227,000 lbs and this year the goal is 250,000 LBS.

**The Gleaners are in need of our help more than ever this year. Four recent acts of vandalism and theft cost almost \$20,000 to repair. The Gleaners are in need of immediate cash donations. Let's dig deep and help The Gleaners recover.**

**Bring 5 lbs of food or donate \$10 at the August 21 meeting and receive a raffle ticket to the general raffle.**

## Annual Oil Can Do It

# FOOD DRIVE

## June 1 through August 31

**Help the Gleaners re-stock shelves for the summer!**

Employees and community members are invited to drop off non-perishable food items or cash donations (\$1 = 2 pounds).

**200,000**

# of people  
Gleaners serves  
per year!  
(over half  
are children)

**227,000**

pounds collected  
last year!  
(combination of  
food and cash)

**250,000**

pounds -  
Goal for 2018!  
Help us  
get there!

Oil Can Do It

# Annual Oil Can Do It

San Joaquin Valley  
Chapter

# Food Drive

The API is helping to re-stock the shelves for the Golden Empire Gleaners.

API is competing against teams from Aera, CRC and Chevron.

Bring any non-perishable food to the API meeting on August 21.

Every 5 lbs. or \$10 donated gets you a free raffle ticket in the general raffle.

**200,000**

People served  
a year

**227,000**

Lbs.collected  
last year

**250,000**

LBS –  
2018 GOAL

# API's 69th Annual Golf Tournament

This year's tournament was an incredible success. There was over \$40,000 raised this year. That is amazing and most certainly allowed the API the ability to give out even more this year in scholarships for the kids. There was a great time had by all. All of us want to give our warmest thanks to the many different volunteers, the generous sponsors that were seen over all 3 courses and most of all you ; our members that signed up and played in our tournament. You all are awesome and the kids thank you all for your continued support. Next year we are looking forward to an even bigger and better tournament. See you then!

# API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

## Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)

Company logo and promotional items can be promoted at sign in/raffle table during the social

Social event turnout is typically 40-60 industry related people

Event will be promoted at API general meeting and API newsletter (600+ industry related emails)

Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

## Social Sponsorship Cost

Cost can range from \$600 - \$2,000+

Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest

Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)

We can work with any budget

If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

## For more information please contact

A large offshore drilling rig, the Ocean Star, is docked at a pier. The rig is a complex structure of steel lattice, with a tall derrick on the left side. The main body of the rig is white with blue and red accents. The name "OCEAN STAR" is prominently displayed on the side. Various logos, including ExxonMobil and the Offshore Energy Center logo, are visible. A helicopter is perched on a landing pad on the right side of the rig. The background shows a body of water and a distant shoreline.

The **Offshore Energy Center** is dedicated to expand the awareness of the vast energy resources beneath the world's oceans, and to chronicle the unique heritage and technological accomplishments of the industry that discovers, produces, and delivers these resources in a safe and environmentally responsible way.

The objectives of this mission statement are being met through a three-fold plan developed by the Center:

**Ocean Star Offshore Drilling Rig & Museum.** Visitors to the Ocean Star Offshore Drilling Rig & Museum enjoy experiencing the offshore industry first-hand on an actual retired jack-up drilling rig. The museum features three floors of models and interactive displays illustrating the exciting story of offshore oil and gas from seismic technology and exploration and production to pipelining and marine transportation.

**Hall of Fame.** The Hall of Fame recognizes those persons and technologies that took the industry to sea. Our Pioneers are individuals who distinguish themselves and become the character of the industry through their vision, drive, innovation, and leadership. The Hall of Fame also honors the individuals and companies that contributed to the development of the technologies. Additionally, in 2000, the Pinnacle Award was established to honor contemporary individuals for their contributions and inspirational leadership to the offshore industry.

**Education Outreach Programs.** Through the Education Outreach Programs, the Offshore Energy Center is committed to promoting awareness and understanding of offshore energy among students and educators. Through teacher workshops, field trips, traveling exhibits, and curriculum materials, existing knowledge is enhanced with information about offshore oil and gas and an awareness of offshore energy's high technology is supported. Additionally, the program is designed to develop an understanding of offshore energy's contribution to the environment and our quality of life.

The **Offshore Energy Center** is based in Houston, the world's energy capital. The **Ocean Star Offshore Drilling Rig & Museum** is docked at Pier 19 in Galveston, less than an hour from downtown Houston, which makes it a wonderful showcase in a perfect location for an "offshore" experience.

## API Website [www.apibakersfield.com](http://www.apibakersfield.com)

Need to pay for your monthly meeting? How about that membership that you've been meaning to renew? Or that event that you're sponsoring...visit the API website! Start paying the easy way with API's Pay Online options.

The website also has a lot of information about our chapter's events. Visit the website today and see what you're missing! Contact Steve Schauer with any comments or issues with the site, [steve.schauer@titancoioltools.com](mailto:steve.schauer@titancoioltools.com).

## Newsletter Sponsorship

If you are interested in helping API while advertising your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same ad on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page ads. All options are available for a single month or for the entire calendar year.

Payments can be made online at [www.apibakersfield.com](http://www.apibakersfield.com) or by providing payment to David Budy, [dbudy@sentinelpeakresources.com](mailto:dbudy@sentinelpeakresources.com). Graphics can be provided to Gary Watts, [gary@norcalpipe.com](mailto:gary@norcalpipe.com).

Size	Monthly	Yearly
Business Card	\$30	\$200
Half Page	\$100	\$700
Full Page	\$200	\$1,400

## Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. We want to thank Chevron for being API's first corporate sponsor and look forward to seeing their employees at our future events. There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at [apibakersfieldchapter@gmail.com](mailto:apibakersfieldchapter@gmail.com)

---

Dear Fellow API Members, Supporters, & Volunteers,

The San Joaquin Valley Chapter of the American Petroleum Institute is a non-profit organization comprised of petroleum related professionals. We strive to foster a spirit of cooperation among those directly or indirectly engaged in the production of oil or gas by encouraging a free exchange of ideas among members. We support several community organizations as well as educational programs each year, and we are proud to award API Scholarships to local students pursuing careers in the petroleum industry or a closely related field. API awarded \$42,000 to 23 Scholarship Recipients in June of 2017 and our goal is to exceed last years' efforts in 2018.

In an effort to support and further our future goals, we are seeking community partners. We have 4 customizable sponsorship packages available for your consideration. I've included suggested package details however, we can contour packages based on your individual or company needs and requirements.

**API ticket and event management is an option available to you**

⇒ Platinum

⇒ Silver

⇒ Black Gold

⇒ Bronze

API is a recognized 501c3 non-profit organization and your partnership contribution is 100% **tax deductible 95-3086622**. We are committed to investing in the future of our youth, industry, and community; your generosity and support are greatly appreciated!

Please continue to support the American Petroleum Institute, SJVC by attending our monthly meetings, participating in our major events: Golf Tournament, Casino Night, Fall Fun Shoot, Oil Baron's Ball, Networking Socials, sponsorships, volunteering, guest speaking, and etc.

Thank you for making a difference in our community!

**(All packages are customizable based on your company preference and requirements)**

## Community Involvement

# #AreYouInterested?

Kern County Science Foundation needs SPE's expertise!

We are looking for mentors for elementary science fair who have about 1-2 hours per month to meet with elementary students and engage with them on their science fair projects. We are looking for people who want to encourage students to continue on with their interest in STEM.

# LOOKout

If you are interested please contact SPE's community outreach coordinator, Allison Escovedo, [aescovedo@ebresources.com](mailto:aescovedo@ebresources.com).

# Big or small. We rent them all.

Enterprise has the right car or truck for the job.

Towing capability now available on  
3/4 and 1-ton pickup trucks.

## Benefits of working with Enterprise:

- Enterprise is nearby with locations in the Central Valley
- Late-model cars, trucks and vans
- Customized business solutions

*Contact your local sales team to make a reservation!*
