

Willie Rivera

“Looking Ahead: Where does California's petroleum industry go from here. ”

Willie Rivera, director of regulatory affairs, joined CIPA in March 2016. CIPA created this new role to manage the increasingly complex regulatory requirements imposed on the oil and gas industry. In this role, Rivera is responsible for the management of local, state and federal regulatory issues and developing relationships with government officials.

He also serves as a councilmember for the city of Bakersfield, representing Ward 1. Willie has served in this role since June 2013, when he became the youngest elected councilmember in city history. He is the chair of the city's Budget and Finance Committee and a member of the Safe Neighborhoods Committee, Community Services Committee and the Joint City-County Standing Committee to Combat Gang Violence. Most recently, Willie was Regional Manager for Corporation for Better Housing Property Management. He also has legislative experience serving as a staff member in various roles for Assemblymember Rudy Salas and former California State Senator Michael Rubio.

He graduated with a Bachelor of Arts degree in political science from California State University, Sacramento.

General Meeting:

Tuesday, January 15, 2019

Guest Speaker:

Willie Rivera

Technical Speaker:

Chris Wilkins

Location:

1933 Speakeasy Bar & Grill

7900 Downing Ave Bakersfield, Ca 93308

Schedule:

Social Hour: 6:00PM

Tech. Session: 6:30PM

Dinner: 7:00PM

Speaker: 8:00PM

Price:

\$30.00 w/ RSVP & Pay Online

\$35.00 At The Door

Social Hour Sponsor:

Steve Schauer

Titan Oilfield Services

Tech Session Sponsor:

Steve Shauer

Titan Oilfield Services

Super Prize Sponsor:

Kaylene Rossi

Nalco Champion

Technical Session

Speaker: Chris Wilkins, Vice-President, Majorpack

Chris Wilkins is Vice-President of Majorpack, Inc. and has worked for many years on oil and gas corrosion solutions. Before joining Majorpack, Chris worked in production chemicals and at NOV Tuboscope as a technical specialist in their coating product line. Chris is certified through NACE as a Corrosion Technician, and holds BBA, MBA, and Master of Theological Studies degrees.

Topic: Diffusion Zinc | An Advancement in Corrosion Control and

Abrasion Resistance for OCTG

Utilizing zinc, Majorpack's duplex layered coating technology combats corrosion and abrasion. The base intermetallic layer offers ID, OD, thread and connection protection. This layer is a diffusion zinc coating that is several times harder than N80 steel and has increased meantime between wear failures 3 to 5 times. Third party lab testing proved the intermetallic layer is poisonous to Sulfate Reducing Bacteria and Impervious to Acid Producing Bacteria. The second layer is an ID polymer layer that offers added protection from acids as well as deposit mitigation. It's very common in oil and gas for polymers to get a holiday in them but this is not an issue with our dual layer system. If/when a holiday forms in our polymers, the intermetallic layer will adapt to the environment and produce a thin zinc carbonate or zinc sulfide scale that fills in the hole. This provides the needed protection against corrosion.

Super Prize Raffle:

January's General Meeting SUPER Prize valued at over \$200 is sponsored by Kaylene Rossi with Nalco Champion. Tickets can be purchased at the dinner and remember all proceeds from the Super Raffle goes towards the API's General Scholarship Fund! Last month's super prize money went towards our API scholarship fund. We raised \$1300. Our winner from the October meeting was Sandy Muth. Way to go Sandy!

Upcoming Speakers:

To help you to plan, we are announcing some of our upcoming speakers.

February 19, 2019 - Christina Sistrunk, CEO of Aera Energy

It's Scholarship Time!

The 2019 SJVC-API scholarship applications will soon be available online at <http://www.apibakersfield.com/about-us/scholarships/>. The San Joaquin Valley Chapter of API awards scholarships to local students pursuing a career in the petroleum industry, or a closely related field. These scholarships are awarded to hard working, dedicated and deserving students who are high school seniors or attending college. So, it's time to put on your thinking caps and impress us with those amazing essays. If you need assistance, or have problems downloading the application online, please contact James McClard at (661) 330-0597 or james.mcclard@bhge.com. Remember that the application deadline is **SUNDAY, MARCH 31, 2019**.

It is time to RSVP for the first API meeting of 2019! It will be on January 15, 2019.

General Meetings are held on the third Tuesday of each month (January through October) at the 1933 Prohibition Room in Bakersfield, 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7 p.m.

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on **Thursday January 10, 2019** and prepay for your dinner on our website at

<http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

Your payment is your RSVP. If you cannot prepay online, please contact David Budy for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to apibakersfieldchapter@gmail.com with your choice of menu option.

Newsletter Sponsorships Should Be Renewed Soon

It is time to renew your newsletter sponsorship! If you are a current newsletter sponsor, your newsletter graphic is in this month's newsletter. If you wish to continue as a newsletter sponsor and have your sponsorship graphic included in next month's newsletter and on the API website, please renew your sponsorship online here: <https://www.apibakersfield.com/pay-online/sponsorship-payments/> . If you are unable to make an online credit card payment, please contact Dave Budy at dbudy@sentinelpeakresources.com to make your payment. Our newsletter is distributed to about 750 members every month, and is a good networking tool. We encourage to use this great API network and support API with your sponsorship. If we do not hear from you this month, we will remove your sponsorship from the newsletter and the website until we have received your renewal.

Newsletter Sponsorship

If you are interested in helping API while advertising your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same ad on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page ads. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to David Budy, dbudy@sentinelpeakresources.com.

Graphics can be provided to Gary Watts, gary@norcalpipe.com.

Size	Monthly	Yearly
Business Card	\$30	\$200
Half Page	\$100	\$700
Full Page	\$200	\$1,400

Chairman's Message

Happy New Year and welcome to 2019! We have great expectations for a great year for the API.

We went through three and a half years of downturn in the oil industry and saw a promising turnaround for most of 2018. That turnaround enabled the US to stand at the top of the entire world production, and then we saw a pullback in oil prices at the end of the year. We have survived worse, and will survive this setback as well. Our industry is resilient and so are the people who work in this industry. Through all of this period of change, the SJV Chapter of the API has been a constant, as we have continued to meet our charter

during good times and not-so-good times. We have made adjustments to our events as we had to, and were able to award \$80,000 in scholarships last year. We appreciate the great support of our members that enabled us to do this, even during the less-than-great times in the business.

We are planning to have an even better year with our API SJV Chapter events this year, and are looking forward to seeing all of you at our meetings and events. We made a change to our meeting location last year and it turned out to be a hit with the members that attended the meetings at 1933 Prohibition Club. I think that since this is the time when everybody makes new year's resolutions, it would be great if everybody that is reading this resolve to attend our general meetings on the third Tuesday of every month. As part of that resolution, you should resolve to bring along a guest or two to acquaint them with the API and the great networking opportunity our monthly meetings provide.

The first event is our January General Meeting at the 1933 Prohibition Club on January 15, 2019. Willie Rivera of CIPA and the Bakersfield City Council will be our speaker. Check out the newsletter for the speaker information. Besides a delicious meal and the opportunity to hear our speakers, you will get to meet up with a bunch of your compadres that you may have missed during the holidays. You can RSVP and pay for the meeting at our website here: <http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>.

There are many events coming in the months ahead and you can keep up with them in our newsletter and on our website. Please remember to join up for the coming year so you won't miss out on anything. You can do it quickly and easily right here: <http://www.apibakersfield.com/pay-online/2015-membership-application/>.

I am looking forward to an exciting and eventful year for the API, and especially to seeing all of you again at our meetings. Let's start it off right by getting those RSVPs in and packing the house for our January meeting!

Until next month,

Mike Handren

SERVING THE OIL INDUSTRY FOR 50 YEARS!

The company was founded by Charlie Beard in March 1967. Charlie always had the passion and drive to own his own business and was receptive when he was approached by a superintendent from Gulf Oil Company who asked if he would be interested in getting a rig that would later be put to work for Gulf. Rig One was built just south of Taft on historic 25 Hill and operated by Charlie. Three more rigs were added later, laying the foundation for an up and coming well servicing business.

GPS has survived nearly fifty years in the oil industry because of one thing—the company's diligence and commitment to safety and ability to change its practices depending on the wants and needs of its customers. This strong commitment to change has allowed GPS to be successful in a highly competitive industry.

GPS, which started with one rig and three employees, has grown to more than 450 employees working for Aera Energy, Linn Energy, E&B Natural Resources, McPherson Oil Company, Phillips 66, California Resource Company and many other independents around the valley.

The company now has twenty-three doubles and thirty-seven singles, along with a construction division that includes heavy equipment, cranes, welding trucks and an aggregate trucking division.

In 2011, Charlie made Rusty Risi, a long-time employee, his partner and turned the day-to-day operations over to him. Rusty came to GPS from New York in 1979 and learned the business from the ground up. The warm relationship they built has kept the company growing and the company's family atmosphere alive. At GPS, employees feel they are part of something great and the company could not have enjoyed the success it has had without the dedication of all those working in the office and in the field.

General Production Service is dedicated to the future and is working to ensure that new and innovative ideas continue to foster growth with a positive impact on safety, the environment, and the industry.

RELIABLE

EFFICIENT

INNOVATIVE

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)

Company logo and promotional items can be promoted at sign in/raffle table during the social

Social event turnout is typically 40-60 industry related people

Event will be promoted at API general meeting and API newsletter (600+ industry related emails)

Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

Cost can range from \$600 - \$2,000+

Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest

Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)

We can work with any budget

If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact

Bryce Horton – Bryce.horton@bakerhughes.com (661.319.5038)

American Petroleum Institute does not charge or profit for setting up Social events

The **Offshore Energy Center** is dedicated to expand the awareness of the vast energy resources beneath the world's oceans, and to chronicle the unique heritage and technological accomplishments of the industry that discovers, produces, and delivers these resources in a safe and environmentally responsible way.

The objectives of this mission statement are being met through a three-fold plan developed by the Center:

Ocean Star Offshore Drilling Rig & Museum. Visitors to the Ocean Star Offshore Drilling Rig & Museum enjoy experiencing the offshore industry first-hand on an actual retired jack-up drilling rig. The museum features three floors of models and interactive displays illustrating the exciting story of offshore oil and gas from seismic technology and exploration and production to pipelining and marine transportation.

Hall of Fame. The Hall of Fame recognizes those persons and technologies that took the industry to sea. Our Pioneers are individuals who distinguish themselves and become the character of the industry through their vision, drive, innovation, and leadership. The Hall of Fame also honors the individuals and companies that contributed to the development of the technologies. Additionally, in 2000, the Pinnacle Award was established to honor contemporary individuals for their contributions and inspirational leadership to the offshore industry.

Education Outreach Programs. Through the Education Outreach Programs, the Offshore Energy Center is committed to promoting awareness and understanding of offshore energy among students and educators. Through teacher workshops, field trips, traveling exhibits, and curriculum materials, existing knowledge is enhanced with information about offshore oil and gas and an awareness of offshore energy's high technology is supported. Additionally, the program is designed to develop an understanding of offshore energy's contribution to the environment and our quality of life.

The **Offshore Energy Center** is based in Houston, the world's energy capital. The **Ocean Star Offshore Drilling Rig & Museum** is docked at Pier 19 in Galveston, less than an hour from downtown Houston, which makes it a wonderful showcase in a perfect location for an "offshore" experience.

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. We want to thank Chevron for being API's first corporate sponsor and look forward to seeing their employees at our future events. There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com

Dear Fellow API Members, Supporters, & Volunteers,

The San Joaquin Valley Chapter of the American Petroleum Institute is a non-profit organization comprised of petroleum related professionals. We strive to foster a spirit of cooperation among those directly or indirectly engaged in the production of oil or gas by encouraging a free exchange of ideas among members. We support several community organizations as well as educational programs each year, and we are proud to award API Scholarships to local students pursuing careers in the petroleum industry or a closely related field. API awarded \$80,000 to 42 Scholarship Recipients in June of 2018 and our goal is to exceed last years' efforts in 2019.

In an effort to support and further our future goals, we are seeking community partners. We have 4 customizable sponsorship packages available for your consideration. I've included suggested package details however, we can contour packages based on your individual or company needs and requirements.

API ticket and event management is an option available to you

⇒ Platinum

⇒ Silver

⇒ Black Gold

⇒ Bronze

API is a recognized 501c3 non-profit organization and your partnership contribution is 100% **tax deductible 95-3086622**. We are committed to investing in the future of our youth, industry, and community; your generosity and support are greatly appreciated!

Please continue to support the American Petroleum Institute, SJVC by attending our monthly meetings, participating in our major events: Golf Tournament, Casino Night, Fall Fun Shoot, Oil Baron's Ball, Networking Socials, sponsorships, volunteering, guest speaking, and etc.

Thank you for making a difference in our community!

(All packages are customizable based on your company preference and requirements)

API Platinum Sponsorship Package \$25,000

- Company name on 3 API Scholarships
- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Full page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
- Company recognition on Social Media via API Facebook & LinkedIn pages
- Recognition at all major API Fundraising Events: API Golf Tournament, Fall Fun Shoot, Casino Night, Oil Baron's Ball
- 8 API Annual Memberships
- Company Sponsor of 1 API Networking Social
- Scholarship Dinner Sponsor of 3 Families
- API Golf Tournament – 2 Four Man Teams
- Casino Night – 8 Couple's Tickets
- Fall Fun Shoot – 2 Five Man Teams
- Oil Baron's Ball – Platinum Sponsorship plus one premium table with 10 event tickets

API Silver Sponsorship Package \$15,000

- Company name on 2 API Scholarships
- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Full page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
- Company recognition on Social Media via API Facebook & LinkedIn pages
- Recognition at all major API Fundraising Events: API Golf Tournament, Fall Fun Shoot, Casino Night, Oil Baron's Ball
- 4 API Annual Memberships
- Scholarship Dinner Sponsor of 2 Families
- API Golf Tournament – 1 Four Man Team
- Casino Night – 6 Couple's Tickets
- Fall Fun Shoot – 1 Five Man Team
- Oil Baron's Ball – Gold Sponsorship plus one premium table with 10 event tickets

API Black Gold Sponsorship Package \$10,000

- Company name on 1 API Scholarship
- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Half page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
- Company recognition on Social Media via API Facebook & LinkedIn pages
- Recognition at all major API Fundraising Events: API Golf Tournament, Fall Fun Shoot, Casino Night, Oil Baron's Ball

API Bronze Sponsorship Package \$5,000

- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Quarter page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
