

Topic: The Future Of The Petroleum Industry In CA

Assemblyman Vince Fong

In 2016, Vince Fong was elected to represent the 34th Assembly District, which encompasses most of Kern County.

Vince serves on the following Assembly committees: Transportation Committee (Vice Chair), Appropriations Committee, Budget Committee, Business and Professions Committee, Public Employment and Retirement Committee, Budget Subcommittee on Resources and Transportation, and Budget Subcommittee on Budget Process, Oversight, and Program Evaluation.

Vince began his career with Congressman Bill Thomas, Chair of the Ways and Means Committee, working on international trade policy. He then returned home to serve the residents of Kern County.

For nearly a decade, Vince served as the district director to House Minority Leader and Congressman Kevin McCarthy, until Vince was elected to the State Assembly in 2016.

Vince is a lifelong resident of Kern County. He earned a bachelor's degree from UCLA and masters from Princeton University. He serves on the boards of the Jim Burke Education Foundation and Honor Flight Kern County where he works to send WWII, Korean War and Vietnam Veterans to Washington, DC to see their memorials.

General Meeting Reservations

Please RSVP by 4:00 PM the Thursday prior to the meeting here: <https://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/> Include your dinner choice of steak, chicken, salmon, or vegetarian. It is important that we have an accurate head count with food selections turned in to the 1933 Club before the event. Your timely response ensures appropriate seating is made available and that everyone gets their preferred dinner choice.

General Meeting:

Tuesday, July 16, 2019

Guest Speaker:

Vince Fong
Assemblyman
34th Assembly District

Technical Speaker:

No Technical Session This Month

Location:

1933 Prohibition Event Center
7900 Downing Avenue
Bakersfield, CA 93308

Speaker:	7:45 PM

Price:

\$30.00 w/RSVP and Online Pay
\$35.00 at the door

Social Hour Sponsor:

Jay Haney
SageRider West

Tech Session Sponsor:

No Tech Session

Super Prize Sponsor:

Robin Brassfield-Cooper
Robin's Envirovac

General Meetings

General Meetings are held on the third Tuesday of each month (January through October) at the 1933 Prohibition Room in Bakersfield, 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7:00 p.m.

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on **Thursday June 13, 2019** and prepay for your dinner on our website at:

<http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

Your payment is your RSVP. If you cannot prepay online, please contact David Budy for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to:

apibakersfieldchapter@gmail.com with your choice of menu option.

Super Prize Raffle:

July's General Meeting has a SUPER Prize valued at over \$200. It is sponsored by Robin Brassfield-Cooper of Robin's Envirovac. Tickets can be purchased at the dinner or online when you RSVP at our website here:

<https://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

All the proceeds from the Super Raffle go towards our API Scholarship Fund. Last month we raised \$1,170.00 for the scholarship fund! Our two super prize winners at the June meeting were: Les Clark who was very happy to win the Party Pak provided by **Jim Chafin of CalCoast Acidizing** and Krystal Gates who won the Google Home Hub Assortment provided by **Russell Thibodeaux of Key Energy Services**.

Technical Speaker Sponsor

Since there is no technical session this month, we will not have technical session prizes.

A Message From The Chairman

Last month we had our big scholarship award meeting and dinner for the scholarship recipients and their parents and family members. There is a brief article and some photos later in this month's newsletter. The room was filled to capacity, which was great for the families to see. Many of our members graciously missed this dinner meeting to allow space for the students and their family members. We thank you for being such gracious members! Now we invite you to come back strong for our July meeting where we will have Assemblyman Vince Fong joining us for dinner and speaking to us after dinner about the "The Future of the Petroleum Industry In California". Assemblyman Fong is a rare voice of common sense in Sacramento and one of Kern County's strongest allies. He is also a strong advocate for reasonable energy policy in California and is sure to be a great speaker that you won't want to miss. So make your reservations to attend the July meeting here: <https://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>.

We kicked off the Oil Can Do It food drive last month and are now preparing to get it going into high gear for the next two months. Last year the API Team raised over 24,000 pounds of food, and over \$19,000 for an equivalent value of almost 63,000 pounds of food. We will be looking to do as well this year. I will be contacting many of the team members from last year to kick off their programs, and if your company is interested in participating this year, you can contact me at (661) 330-0423 or mhandren@yahoo.com, or Tim Frame, our Community Involvement Chair, at (661) 447-5123 or Tim@mts-stim.com.

We do not have any big fund-raising events in the summer months, but we want to stay connected with our members through our general monthly meetings. So please come and see us and network with our members at our monthly dinner meetings. I think you all know what a good time we have and what good speakers we have, so it is worth your while to come and partake in the good food, good time, and great camaraderie.

If you look at our calendar of events, you can see that our next activity will be the Adopt-A-Highway party in September, followed by the Fall Fun Shoot in October. Details about the Adopt-A-Highway will be coming as we get closer to the date of the activity, but there is a flyer for the Fall Fun Shoot in the newsletter and registration is available online here: <https://www.apibakersfield.com/2019-fall-fun-shoot/>. We encourage you to sign up early for what is sure to be another great event put on by our FFS Chairman Jim Roberts.

When you go to the website, you can see that we have a new sponsorship opportunity available for the Fall Fun Shoot. It is photo sponsorship which will get your logo placed on the team photos that are provided to every one of the 300 shooters that participate. How would you like to have your company logo sitting on the desks and credenzas of our API members?

I think I am running out of space for any more commentary this month, but as always, I love to hear your feedback. Please feel free to call or email your comments or suggestions to (661) 330-0423, mhandren@yahoo.com, or apibakersfieldchapter@gmail.com.

I look forward to seeing you all back in force at the July Meeting!

Mike Handren
2019 API Chairman

2019 Scholarship Awards Dinner Was A Big Night For All

At a packed house of 158 people at the 1933 Prohibition Event Center, the SJV Chapter of the API awarded scholarships to thirty-three deserving students at our dinner meeting on June 18, 2019. The awards night is the highlight of our year and represents the culmination of our fund-raising efforts, which enabled us to award \$100,000 in scholarships. Students and their families enjoyed the dinner that was hosted by our chapter and appreciated the awards ceremony that followed the dinner.

The Scholarship Committee of James McClard, Brian Burt, and Eric Bartz did a great job of evaluating all of the applicants and awarding the scholarships. They did an equally masterful job of putting on the awards ceremony and making each recipient feel appreciated for their hard work and accomplishments.

Publicity Chair, Kaylene Rossi, arranged to have representatives from Congressman Kevin McCarthy's office and State Senator Shannon Grove's office in attendance, and Bryce Horton arranged to get KGET Channel 17 to attend and do a news story. Kaylene also arranged for certificates of recognition from the offices of Congressman McCarthy and Senator Shannon Grove for each of the scholarship recipients. These are great additions to the scholarship awards and something that few people receive.

The API wishes to thank all of our members and supporters of our fund-raising activities. We certainly could not make this happen without you. I am certain that the scholarship recipients are also very grateful for your support. There is a complete listing of all the recipients following this article.

API Needs Your Help In The Oil Can Do It Food Drive

The Oil Can Do It food drive to help stock the shelves of the Golden Empire Gleaners had its kickoff event on June 6 at the corner of Ming Avenue and Forum Way. Now we need to keep it going through the summer, as the API participates in the friendly competition between API, Chevron, Aera, and CRC to gather the most food and funds for the Gleaners. The drive runs all summer and ends on August 31, 2019, so we have lots of time for collecting food and funds.

API typically gathers together a team of industry partners representing the local industry outside of the big three oil companies. Last year the API team did a great job with its coalition of partners led by Berry Petroleum and MacPherson Energy. We also had support from our API members at our meetings, and from many other companies including Sentinel Peak, PCL, Titan, E&B, SageRider West, Halliburton, PROS and others.

If you or your company is interested in joining the API team this year, contact Mike Handren at mhandren@yahoo.com, (661) 330-0423 for a presentation or more information, or Tim Frame at tim@mts-stim.com (661) 447-5123 for information and to get up set up with collection boxes.

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:

Bryce Horton – Bryce.horton@bakerhughes.com (661.319.5038)

History

Cameron West Coast serving California and the West Coast 80yrs continually, onshore and offshore. Below are a few of the storied companies that make up the Cameron West Coast family today.

Newsletter Sponsorship

If you are interested in helping API while promoting your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same information on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page informational pieces. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to David Budy, dbudy@sentinelpeakresources.com. Graphics can be provided to Mike Handren, mhandren@yahoo.com.

Size	Monthly	Yearly
Business Card	\$30	\$200
Half Page	\$100	\$700
Full Page	\$200	\$1,400

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. We want to thank Seneca Resources for being API's second corporate sponsor and look forward to seeing their employees at our future events. There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com
