A Message From The Chairman

Welcome back to the start of the 2020 API year. This is sure to be an interesting year in our California oil industry as the politicians in Sacramento, led by Governor Gavin Newsome, attempt to do the impossible at the expense of the California oil industry. What is the impossible? It is thinking that they can turn their pipe dreams of a world without oil into a reality. We know better than that and I hope that we can pull together to inform these misinformed, ideology driven loons of the reality and the ongoing need for oil and gas to keep our state and our country enjoying the type of lifestyle that separate us from the impoverished third world.

Your API Chapter will be here with our monthly meetings and other networking activities and events to provide camaraderie, networking and fun during this rocky road ahead for the oil industry in California. We will be there at the Kern County Board Of

Supervisors meeting on Tuesday, January 14, 2020 to make sure our voices are heard along with hundreds of others whose lives are tied to the oil industry. I hope we can start there to get the message across to the Sacramento people that will be in attendance, and that they will take the true story back to Sacramento with them.

Now I'll step off the soapbox to tell you that we have another great year ahead for the API and its members, starting with our January meeting to get back together after a two month hiatus. Look at the calendar of events on page 14 of the newsletter to see how the year lays out for the API and check out the photos from the Oil Baron's Ball last November. You might see yourself.

We have our regular monthly meeting coming up on January 21, 2020. This month we have Tanner Miller of the KCSO talking about oilfield crime. He promises to make an informative and lively presentation. So make your reservations to attend the January meeting here: <https://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>. This will be our first general meeting of the year, so come out and join us for socializing, networking and learning.

I love to hear your feedback. Please feel free to call or email your comments or suggestions to (661) 330-0423, mhandren@yahoo.com, or apibakersfieldchapter@gmail.com.

I look forward to seeing you all at the January Meeting!

We Crowned New Royalty At The 35th Annual Oil Baron's Ball

As we closed out the API year, we had 280 people at our annual Oil Baron's Ball on November 2, 2019. They were there to enjoy a good meal, good friends, great music, and to find out who would be named as the 2019 Oil Baron and Baroness.

We had a first time ever event take place as the Baron and Baroness were father and daughter. Tim Maples was named the Oil Baron and his daughter Kristen Krafthefer was named Oil Baroness. Congratulations to both of them!

We also had a rare occurrence as many attendees stayed until the very end, while they were being entertained by Alan Reno and dancing the night away.

We had a lot of positive feedback about the newly remodeled Doubletree banquet facility and the food and beverage and entertainment. Everybody looked great, and it looked like everybody had a very good time. There are many pictures from the ball in the newsletter, so you can see for yourself.

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half
