

Topic: State of the California Oil Industry

Catherine Reheis-Boyd

Catherine Reheis-Boyd has served as the President of the Western States Petroleum Association (WSPA) since January 1, 2010. She oversees the trade organization's operations and advocacy in five Western states – California, Arizona, Nevada, Washington, and Oregon.

Over her 28 year career at WSPA, Ms. Reheis-Boyd has held a variety of leadership roles, including a 2003 appointment as Chief of Staff and subsequent promotions to Executive Vice President and Chief Operating Officer. Prior to joining WSPA, Ms. Reheis-Boyd was with Getty Oil and Texaco working on environmental compliance at the

Kern River Field in Bakersfield, California.

She currently manages a broad range of Association activities, including legislative and regulatory issues associated with transportation fuels policy, air and water quality, climate change, renewable fuels and alternative energy issues, crude oil and natural gas production and many other issues in WSPA's five states, and beyond those borders into Canada and abroad.

In 2016, Ms. Reheis-Boyd was named Distinguished Woman and Petroleum Advocate of the Year by the California Latino Leadership Institute.

Ms. Reheis-Boyd received her Bachelors of Science degree in Natural Resource Management from California Polytechnic State University, San Luis Obispo and pursued postgraduate studies in environmental engineering at the University of Southern California.

The Western States Petroleum Association represents major integrated petroleum companies, independent refiners and oil and natural gas producers that explore for, produce, transport, refine and market petroleum, petroleum products, and natural gas as well as advanced alternative and renewable transportation fuels in the West. On behalf of the industry, WSPA works to encourage public policies that promote socially and environmentally responsible economic growth and prosperity.

General Meeting:

Wednesday, March 18, 2020

Guest Speaker:

Catherine Reheis-Boyd
President
WSPA

Technical Speaker:

Nabil El Shaari
Principal
Wellbore Solutions

Tech Session Sponsor:

Russell Thibodeaux
Key Energy

Super Prize Sponsor:

Jay Haney
SageRider West

March 2020 Technical Speaker: Nabil El Shaari

TOPIC: The Technology and Application of Small Footprint Equipment to Drill Tunnels & Laterals From Existing Wellbore

Nabil El Shaari

March's Technical Speaker is Nabil El Shaari with Wellbore Solutions. Before forming his consulting firm November 2019, Wellbore Solution LLC, Nabil joined California Resources Corporation (Previously Occidental's California Operations) in 2011 holding various titles to include Sr. Completions Engineering Advisor, Chief Engineer Completions and well stimulation, and Production Operations Engineering Consultant. Prior to California Resources and Occidental, Nabil spent 19 years of his career with BJ Services Company U.S.A, all of it in California, holding various positions of increasing responsibilities to include the company's Pacific region Technical Manager. Nabil started his career in the oil industry in 1987 with Dowell Schlumberger after earning B.S. degree in Petroleum Engineering from Montana Tech. Nabil authored and co-authored multiple technical papers. Nabil is the 2014 regional SPE recipient of the Completions Optimization and Technology award and the recipient of the SPE 2016 Western Region Production Operations Award. Nabil is currently a principal at Wellbore Solutions.

General Meetings

March's general meeting will be held on Wednesday March 18, 2020

at 1933 Prohibition at 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7:00 p.m.

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on **Thursday March 12, 2020** and prepay for your dinner on our website at:

<http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

Your payment is your RSVP. If you cannot prepay online, please contact David Budy for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to: apibakersfieldchapter@gmail.com with your choice of menu option.

A Message From The Chairman

Hello, API Members!

Here we are in March, already. This year is flying by and we are on course to make this year at the API one of the best. In conjunction with the SPE we are holding our first Trivia Competition on March 12, 2020 at 1933 Prohibition Event Center. There will be prizes for the winners of the contest and raffle prizes as well. We are bringing in CSUB students to participate with the industry pros, so it should be interesting for all. Next month we and the AADE are hosting our second annual cornhole tournament at Seven Oaks Country Club.

Your API chapter was represented at the Kern County Career Expo on March 5, 2020 at Mechanics Bank Arena. Board members Tim Frame and Jeff Hanson spoke to lots of students about the API and the oil industry and handed out 130 scholarship applications.

Kudos to our community involvement people!

Our March General meeting is on March 18, 2020 and promises to be a good one. **Please note that this meeting will be on a Wednesday night instead of our usual Tuesday night.** Our speaker this month is Cathy Reheis-Boyd, the Executive Director of WSPA. She gave some great comments about the value of the oil industry at the Kern County Board of Supervisors meeting with the Sacramento guests a couple of months ago. She may have some interesting information to share with us about some hope for our industry in California. So make your reservations to attend the March meeting here: <https://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>, and join us for socializing, networking and learning.

The social starts at 6:00 PM and we will have an interesting technical session starting at 6:30 PM. In addition to our monthly meetings, there are some other activities coming up in April and May, so check out the newsletter and the email blasts from the API.

I love to hear your feedback. Please feel free to call or email your comments or suggestions to (661) 330-0423, mhandren@yahoo.com, or apibakersfieldchapter@gmail.com. I look forward to seeing you all at the February Meeting!

Mike Handren
2020 API Chairman

San Joaquin Valley
Chapter

It's Scholarship Time!

The 2020 SJVC-API scholarship applications are available online at <http://www.apibakersfield.com/about-us/scholarships/>. The San Joaquin Valley Chapter of API awards scholarships to local students pursuing a career in the petroleum industry, or a closely related field. These scholarships are awarded to hard working, dedicated and deserving students who are high school seniors or attending college. If you need assistance, or have problems downloading the application online, please contact James McClard at (661) 304-5693 or james.mcclard24@gmail.com. Remember that the application deadline is **TUESDAY, MARCH 31, 2020**.

API at Career Expo!

On March 5th, Jeff Hanson and Tim Frame were out at the Career Expo at Mechanics Bank Arena promoting the oil industry and handing out our 2020 scholarship applications.

San Joaquin Valley Chapter

2020 SCHOLARSHIP APPLICATION

Dear Student Applicant,

The American Petroleum Institute San Joaquin Valley Chapter awards scholarships to young men and women who wish to pursue a career in the petroleum industry or a closely related field. These scholarships are awarded to hard working, dedicated and deserving students who are graduating high school seniors who will be attending college in the fall. When submitting your applications for consideration, we expect students to be straightforward and sincere.

PLEASE SUBMIT THE FOLLOWING:

1. Scholarship Application Data Sheet (attached): You may organize the information required on the Data Sheet in resume form if you wish.
2. Letters of Recommendation: A minimum of two and a maximum of three recent letters. A school instructor who is familiar with your current academic accomplishments should submit at least one of these.
3. Academic Transcript: Must be on high school/college/university letterhead. Please submit current or most recent transcript showing courses taken and grades earned during the past two years.
4. Proof of Enrollment: Recipient must be enrolled as a full-time student (12 or more credit hours) at an accredited college or university. Proof of enrollment must be received prior to disbursement of scholarship funds but is not required at the time of submittal of the scholarship application.
5. Essay: Please submit a short essay of approximately 500 words for two essay questions and 200 words for the informational question that are found later in the application.
6. Email Documents: Applications will be required to be emailed to all committee members. Scan and attach all documents in .pdf format. Transcripts and letters of recommendations can be sent via U.S. Mail if needed. If it is necessary that you need to mail the application, we will accept it, but the preference is by email. For any hardships, please contact the Scholarship Committee Chair below.

San Joaquin Valley Chapter

APPLICATION DEADLINE

Applications must be received no later than Tuesday, March 31, 2020. Post mark dated March 31, 2020, if received by mail to below address. Hand delivered by 4:00 pm to address below. Email by 11:59 pm to email addresses below. Again, email is preferred.

Scholarship recipients will be contacted by Friday, May 1st, 2020 by email.

Scholarship recipients, or their approved proxies, must be present on awards night, Tuesday, June 16, 2020. Information on dinner will follow.

EVALUATION CRITERIA:

1. All information must be complete, accurate, and verifiable.
2. Recipient must be enrolled as a full-time student (12 or more credit hours) at an accredited college or university and be a current resident of Kern County or attend a Kern County college or university. Proof of enrollment is required prior to disbursement of funds, but not necessary at the time of scholarship application.
3. The selected essay questions must be addressed completely. The essays will be evaluated on content, grammar, organization and originality.
4. Applications will be evaluated based upon the factors written above as well as current letters of recommendation, academics, community involvement, activities and relation to a member of the SJV Chapter of the API. Commitment to the oil industry.

Please note: Being directly related to an API member is not necessary to receive an API scholarship nor does it guarantee you will receive one.

SUBMIT YOUR APPLICATION WITH OFFICIAL TRANSCRIPTS TO:

James McClard - Scholarship Committee Chair – james.mcclard24@gmail.com

Brian Burt - Scholarship Committee – brian.burt@sturgeonservices.com

Eric Bartz – Scholarship Committee – stephen.bartz@gmail.com

Or by USPS mail to: James McClard 9127

Leslie Deann Ct.

Bakersfield, CA 93312

San Joaquin Valley Chapter

Please answer any two of the three essay questions below. Each question should be answered in a short essay of approximately 500 words.

Essay Question 1

Science Technology Engineering Math (STEM) jobs are among the fastest growing middle & upper income occupations in the U.S. Please explain how educators can better increase participation & interest in these fields.

Essay Question 2

There are tens-of-thousands of orphaned, idled and/or uneconomic wells throughout California, and permanently abandoning them is a state initiative. The cost to remediate (which can include plugging the well and removing surface facilities and contaminated soil) is estimated at nearly \$10 billion, of which a significant portion may become the responsibility of the state to handle. How can California effectively incentivize operators to financially assist in sharing this burden?

Essay Question 3

The Renewable Fuel Standard is essentially an ethanol mandate from the federal government/EPA. It requires that all gasoline that consumers buy at the pump consist of at least 10% ethanol, a fuel derived from corn. Please describe the pros & cons of this mandate. Include some information regarding sustainability & environmental impact of this standard in order to fuel automobiles.

Please answer the informational question below with a short essay of approximately 200 words.

Informal Informational Question

Describe how your course of studies relates to the energy, oil and gas industry and what your role will be after graduation. Explain your intended contributions to our industry.

The API Golf Tournament Is Coming May 1, 2020

Sign up now for the upcoming API Golf Tournament. It may seem early to be signing up for a golf tournament that isn't coming until May, but you don't want to be left out. We have only two courses this year and only one flight at each course.

We will be playing at Stockdale and Sundale Country Clubs this year. It is first come, first served, so get over to our website and sign up. There will be plenty of food and beverage stations at both courses to keep you well fed and well hydrated. We will have lots of raffle prizes and snacks after the golf tournament at Sundale Country Club.

The tournament flyer follows with more information.

Sign up here: <https://www.apibakersfield.com/golf-tournament/>

API Website www.apibakersfield.com

Need to pay for your monthly meeting? How about that membership that you've been meaning to renew? Or that event that you're sponsoring...visit the API website! Start paying the easy way with API's Pay Online options.

The website also has a lot of information about our chapter's events. Visit the website today and see what you're missing!

Contact Steve Schauer (steve.schauer@titancoiltools.com) with any comments or issues with the site.

Corporate Sponsorships

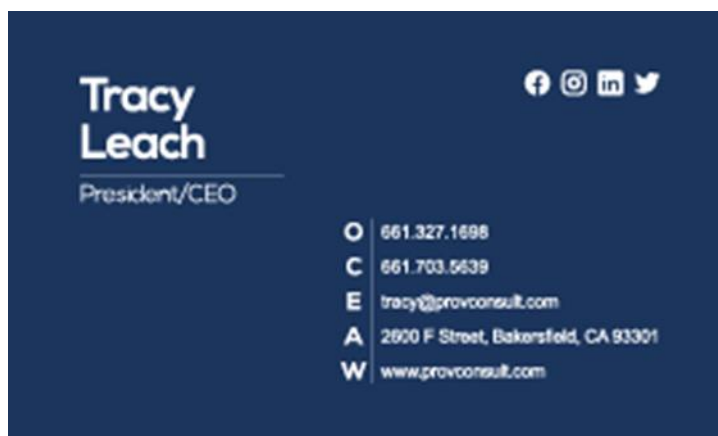

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. We want to thank Chevron SJB for being API's third corporate sponsor and look forward to seeing their employees at our future events. There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:

Chad Horton – Chad.horton@bakerhughes.com (562) 481- 4235
