A Message From The Chairman

Hello, API Members!

I come to you this month with good news. We will be meeting for dinner this month at 1933 Prohibition Center. The meeting will be on Tuesday, October 20, 2020 with social starting at 6:00 PM, followed by dinner at 7:00 and our after-dinner speaker at 8:00. Believe it or not, our last dinner meeting of this year was in March, and I am looking forward to seeing the API members that I haven't seen in several months. We are planning to gather on the south patio at 1933, but we may be able to move indoors if circumstances have improved by the date of our meeting. Since we are not completely out of the

COVID woods yet, we will have to limit our attendance, so sign up early on our website here:

[October Dinner Meeting](#).

We will have our State Representative Vince Fong at the meeting to address us after dinner, and he is always loaded with information. You don't want to miss him, and you can read more about him in the newsletter.

And here is some more good news. The golf tournament is definitely happening on Friday, October 23, 2020! The tournament will take place at Stockdale and Sundale Country Clubs, with check-in starting at 7:00 AM and golf starting at 8:00 AM. It has been a long time since you signed up, so please get your players lined up again, and confirm the golf course on which you signed up. Our starters will be calling the team captains shortly before the tournament date to confirm your golf course and your attendance. If you have questions about your golf course assignment you can contact David Budy at dbudy@sentinelpeakresources.com or Jeff Hanson at jeffrey.hanson@crc.com. If you have other questions call Jim Roberts at (661) 805-5766.

So, there is some good news. We haven't given up and neither should any of you. Keep hanging in there to produce the energy that fuels California, and thank you for hanging with us and supporting the San Joaquin Valley Chapter of API! Your support benefits many Kern County students with scholarships, many Kern County residents with food support through the Golden Empire Gleaners, and many California youth through our support of R. M. Pyles Boys Camp.

I love to hear your feedback. Please feel free to call or email your comments or suggestions to (661) 330-0423, mhandren@yahoo.com, or apibakersfieldchapter@gmail.com.

I look forward to seeing you all at the October 20 dinner meeting and the October 23 golf tournament!

The Golf Tournament Is A Go!

We have it on good advice that we will finally be able to get together for the annual golf tournament! After two postponements, but never giving up on the tournament, we will actually be able to pull it off on Friday, October 23, 2020 at Sundale Country Club and Stockdale Country Club.

We cannot take any more new teams because we sold out early in the year, but all of the teams that have already signed up are eligible to play.

Team Captains should advise your players to be ready to play on October 23, 2020. You can show up for your hole assignments and goodie bags at 7:00 AM followed by an 8:00 AM shotgun start.

All sponsors and BBQ stations should contact Jim Roberts to confirm your participation. You can call Jim at (661) 805-5766.

For any other questions, contact Jim Roberts.

We look forward to a long needed and well-deserved good time!

API Scholarship Thank You Letters from Recipients

Good Morning Scholarship Committee,

Thanks for supporting my educational goals. It is an honor for me to be part of this scholarship opportunity. ~Alejandra Zapata

I appreciate the award you have given me to support my education, and the acknowledgement from our community leaders. ~ Taylor Cord Sherman

Hello Mr. McClard,

I would like to thank you once again for facilitating my higher education experience with the API scholarship. I am extremely grateful that even during these trying times for the energy industry, especially in California, the API San Joaquin Valley Chapter is generous enough to provide a scholarship for those pursuing a career in the energy industry.

Thank you, and I hope to usher in the future of California energy. ~ Rishabh Bose

Dear API Scholarship Committee,

Thank you for the extremely generous scholarship award from API! I was very honored when I received this award and the special certificates from our congressman and mayor in the mail. This award will be a great help with my school expenses this upcoming year. Sorry for the late letter, but please share my deepest appreciation with all the API board and members. ~ Natalie Roberts

Dear Mr. McClard,

First of all, I want to start by thanking you for the amazing API scholarship that I was awarded. We got home from vacation last week and it was such a wonderful surprise to find it and the award certificates in the mail. Again, many thanks for this scholarship. I am headed to Colorado in a couple of weeks, and my classes will begin on August 24th. ~ Callie McCaffery

Dear Mr. McClard,

I was just emailing to let you know that I received my scholarship in the mail today. Once again, I thank you, and the rest of the scholarship committee, for noticing my academic achievements and rewarding me this scholarship. I look forward to applying next year and meeting you all at the rewards dinner. ~ Salil Trehan

Hello, I just received the scholarship in the mail and I would just like to thank you and the rest of the committee. This scholarship means a lot to me and will help me in my college career. I appreciate the time and effort that you put into this despite the troubling times we are all facing. With much appreciation, ~ Ilyana Prince

Dear API Scholarship Committee,

Thank you so much for supporting me as I start my first year at Cal Poly SLO. I plan to major in Mechanical Engineering. I'm looking forward to the hands-on learning philosophy at Cal Poly. I'm really appreciative of my selection for this scholarship.

Sincerely,

Elliott Bryniarski

Dear Mr. Melland, API scholarship
Committee, and sponsors,

Thank you for your generous
contribution to my education. I
look forward to applying my
chemical and biological engineering
degree to the energy industry in the
next few years.

Thank you,

Rich Thompson

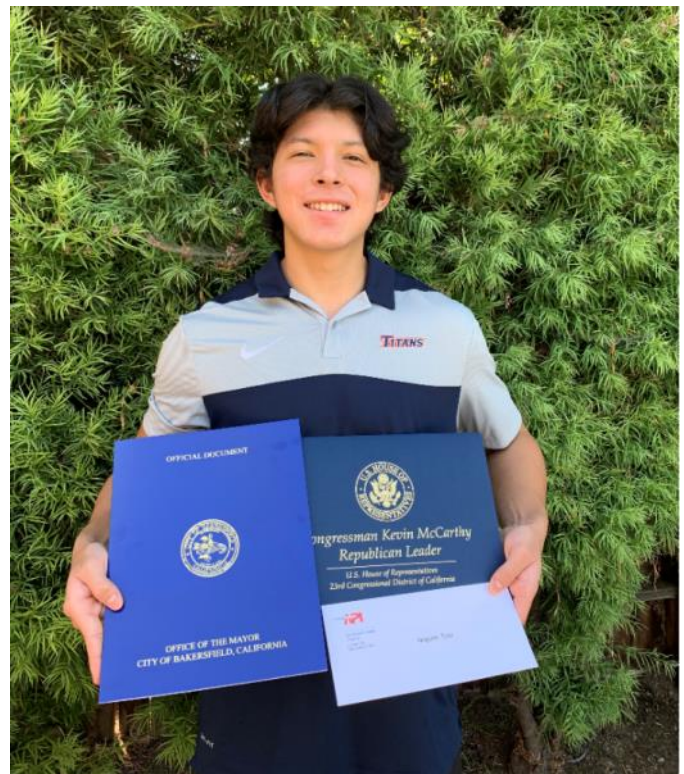

Dear API scholarship board,

With all that is going on around us, I am very grateful for this scholarship. Thank you to everyone that has made this possible. This scholarship wouldn't be possible without all of the work from everyone on the board. I hope all is well in each of your unique situations and that we can all see each other again soon.

Sincerely,

Ryan Fowler

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:
