

Lee Payne

Welcome, API Members!

Welcome to the new year, new ways of working, new budgets, new challenges, new processes and most importantly, welcome to a whole new year full of opportunities for our industry to be just a little better than last year. 2020 brought to all of us unprecedented challenges and obstacles. Many of us were sick with COVID, some lost family members and all of us know of somebody in our industry whose email address is no longer valid. However, if there is anything I know about the people in this industry, it's that they are the most resilient and adaptable people you'll find. So, as

we begin 2021 let's celebrate the oilfield spirit that embraces challenges because we know out of these challenges will come new opportunities.

You should all be very proud of yourselves as API members for the involvement and financial support we were able to provide to many great organizations in our community. Despite the challenges 2020 brought us, we were able to contribute to organizations such as, R.M. Pyles Boys Camp, Golden Empire Gleaners, Bakersfield Condors, California Living Museum and many others. Through our golf and sporting clay tournaments and general meetings we were also able to raise and award \$115,000 in scholarships to local students. On behalf of those organizations, students and our entire board I say thank you.

This group is not slowing down for 2021 either and we already have dates set for our golf and sporting clay tournaments. Signups are open and teams will sell out quickly so go to the website www.apibakersfield.com and get registered soon. We look forward to continuing to support this group through safe monthly general meetings with great technical and guest speakers, but we must work within the current state guidelines. For now, our general meetings will be tentative and all updates for events will be in our monthly newsletters, social media outlets and on our website.

I am excited to be in person with all of you again and we hope to be able to do that very soon. Until then please help this new Chairman with your ideas and comments. You can reach me directly at (661-809-6331) or by email at lee.payne@bakerhughes.com.

Warm Regards,

Lee Payne

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:

Chad Horton – Chad.horton@bakerhughes.com (562) 481- 4235
