

API Scholarship Night

Topic: Education—A Key To Your Future

Mike Handren

This presentation is a message to all of our scholarship recipients. It begins with the feelings of becoming a recipient and follows through to the things they need to consider as they pursue their educations and eventually go into the world as graduates and potential employees.

Mike Handren is the Scholarship Chairman of the San Joaquin Valley Chapter of the American Petroleum Institute. After receiving his BS degree in Petroleum Engineering from Texas Tech University he went to work for Getty Oil Company in Levelland, Texas as an engineer. He went to work for Petro-Lewis Corporation in 1980 and received various engineering assignments in Louisiana, and South Texas before being transferred to Bakersfield in 1984. He worked in California for thirty two years in Operations Management for a number of oil companies, including Petro-Lewis Corporation, Santa Fe Energy, Monterey Resources, Texaco, Nuevo Energy, PXP and its successor Freeport McMoRan until March 2017.

He is on the boards of the PPGA, the San Joaquin Valley Chapter of the API and the Pyles Boys Camp. He is also active on the Wildcat Committee where he writes and performs for the annual Wildcat Hijinks, and was a cast member and CEO of Black Gold Productions.

He is the proud father of Stanley and Lindsay, a couple of great young adults.

A Message from the Chair

Lee Payne

Hello, API Members!

It is the season of triple digits, graduations, and vacations and for the SJV Chapter of the API, that means its scholarship season.

Please join us for the June General Meeting where we will meet and celebrate the students who will be receiving scholarship from the SJV API. None of these scholarships could be awarded without the constant support of our members and your generosity and on behalf of the board and our recipients we all say thank you.

We are also kicking off the Oil Can Do It food drive on June 17. The food drive benefits the Golden Empire Gleaners. It is a friendly competition between Aera Energy, Chevron, California Resources, and API. API represents the independent producers and the service companies. See the flyers in the newsletter for more information.

To stay up to date with the SJV API please visit, www.apibakersfield.com where you'll find details on events, sign ups and our newsletters.

Stay safe and stay engaged with us this year by attending all of our great events and continue to contribute to local students' scholarship opportunities through the SJV API. I am always open to your ideas and you can reach me directly at (661-809-6331) or by email at lee.payne@bakerhughes.com.

Warm Regards,

Lee Payne

2021 API Chairman

Time to Renew Your Newsletter Sponsorships!

As you read through the newsletter, you can see many of our supporters sharing information about their businesses. These are our newsletter sponsors. We thank them for their support and remind them that it is time to renew your sponsorship. **We will need your renewal by the end of this month in order to continue your sponsorship in future newsletters.** So please follow the instructions below to renew. Thank you.

If you are interested in helping API while promoting your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same information on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page informational pieces. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to David Budy, dbudy@sentinelpeakresources.com. Graphics can be provided to Tim Frame, tim@mts-stim.com. Contact Tim Frame if you have any questions or need assistance (661) 447-5123.

OIL CAN DO IT! COMMUNITY FOOD DRIVE

**+22 YEARS OF TRADITION
IN OUR COMMUNITY**

JUNE 1 - AUG 31

A friendly food drive competition between oil producers and partners is needed now more than ever as we begin to get back on our feet from one of the hardest years. From difficult times, job loss, and uncertainty around where families next meal from, the oil industry has been committed to helping provide life's essentials; responsible energy and food for families on our communities. This summer the Oil Can Do It campaign goes beyond re-stocking shelves, it's helping families get back on their feet and that starts with getting food on the table. We encourage our employees, friends families and community to join in and make an impact during a time when the people of Kern County need it the most. API Adopt A Highway May 22, 2021

On Behalf of the SJVAPI, we would like to thank the 22 volunteers that participated in the spring API adopt a highway event on Saturday May 22. We experienced perfect weather for the event. After breakfast and a brief safety meeting the volunteers picked up over 30 bags of trash and several large items in just under 90 minutes. Pictured: Gabriel Beltran, Elias Beltran, Isaias Beltran, Madison Weeks, Ayden Weeks, Scott Bender, Lee Payne, Bailee Payne, Brandon Payne, Blake Payne, Stacey Briceno, Tim Frame, Aaron Altamirano, Amber Altamirano, Brandy Gardner, Perk Gardner, Dustin Moreno, Carolyn Moreno, Dustin Moreno Jr, Shawn Webster, Caydence Moreno. Not Pictured. Dan Sliter. Most valuable find: Chevy key fob found by Carolyn Moreno Most unique find: An electrical device with batteries found by Stacey Briceno.

General Meetings

General Meetings are held on the third Tuesday of each month (February through October) at the 1933 Prohibition Room in Bakersfield, 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7:00 p.m.

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on the Thursday before meeting and prepay for your dinner on our website at:

<http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

Your payment is your RSVP. If you cannot prepay online, please contact David Budy for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to: apibakersfieldchapter@gmail.com with your choice of menu option.

Spotlight on Oil Field Education: The Taft Lighthouse

Tucked into the foothills just west of Bakersfield between 2 tumbleweeds and a pumpjack is a small town with a deep history of discovery. Some may know it as 11-C camp or Siding Number Two or maybe even as Moron. This city's name is Taft and while the gushers may be dry and the Standard Oil office is long gone there is now a lighthouse in Taft and if you want to see it you'll have to get to Taft Highschool where you'll find the Taft Oil Technology Academy- A CPA Lighthouse Academy.

The Taft Oil Technology Academy is a program that seeks to create partnerships between the petroleum industry, Taft High School administration and it's teachers to "guide students to realize their full potential by emphasizing high standards of academic excellence and personal growth, so students become competitive, competent, and contributing members of society with high moral character." The program is focused on the Petroleum Industry and STEM careers and according to Coordinator and Technology Teacher Ted Pendergrass, it seeks to help students "connect with industry, to connect the world of work with their education."

Students are introduced to subjects such as Petroleum Exploration, Geology, Drilling and Completions, Production, Reservoir Management, Transportation, Refining and even finance. The program has been so successful that out of the 400 California Partnership Academies it is 1 of only 16 chosen to be Lighthouse Academies and is the only lighthouse academy in California with a focus on the Petroleum Industry. This group even took second place in the OTC Energy Challenge for 2021 competing amongst the rest of the nation for solutions to real world energy problems. You can read all about their victory and project "Clean Sweep" at <http://2021.otcnet.org/otc-energy-challenge>. Titles and recognition are certainly well deserved but the real victory of this program comes from its graduation rate which is nearly 99%. Of the graduating seniors 72% go to a 2- or 4-year school, 15% enter the military and the remaining 13% enter vocation or certificated training.

Yes, there is a lighthouse in Taft and with the continued support of Petroleum Industry Partners, Administrators and Teachers, this lighthouse will shine through the successful lives of its students long after the Jameson #17 finally comes down.

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:

John Chafin – jchafin@calcoastacidizing.com

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. We want to thank Chevron SJBU for being API's corporate sponsor and look forward to seeing their employees at our future events. There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com
