October 2021

Legislative Update

Shannon Grove, CA Senator, 16th District

Senator Grove was born and raised in Kern County.

After graduating from high school, Senator Grove served in the United States Army. While stationed in Frankfurt, Germany she witnessed the fall of the Berlin Wall in 1989.

Following her service to our nation, she established a staffing company with her sister-in-law called Continental Labor and Staffing Resources. Senator Grove currently serves as the CEO.

Prior to her election to the State Senate, Senator Grove was the first woman veteran elected to the California Legislature as she served the 34th Assembly District from 2010 to 2016.

Senator Grove was elected to represent the 16th Senate District which includes Kern, Tulare, and San Bernardino counties in November 2018. In January 2019 she was elected Leader of the Senate Republican Caucus. She is the first female veteran and third female to serve in the top leadership post of the Senate Republican Caucus.

Senator Grove is an advocate for small business, the developmentally disabled, farmers, and families. She currently lives in Kern County with her husband, Rick. They are the proud parents of five children and eight grandchildren.

**The meeting will be at 1933 Prohibition
Outdoor Event Center for safe social distancing.**

**General Meeting:
Tuesday, Oct . 19**

**Guest Speaker:
Shannon Grove,
CA Senator, 16th
District**

Technical Speaker:
None

Super Prize Sponsor:
Todd Bivens
Aera Energy

A Message from the Chair

Lee Payne

Hello, API Members!

It's October and I can't think of a better way to end our general meeting year than to spend an evening hearing from our very own State Senator Shannon Grove. Join us on October 19th 6PM at 1933 for an OUTDOOR dinner meeting where we will get to hear from Senator Grove as she details some of what is going on in Sacramento and what our local representation is engaging in. Bring good questions for Shannon and your wallet to support our students through the raffle.

For those that were able to join us for the fall shoot I want to say thank you. Our event chair Jim Roberts and his team worked very hard to take an event that is good every year and made it even better. They secured ammunition, sponsors and generous onsite support for food and drinks to pull off a great day of sporting clays, laughter and fund raising for next years scholarship fund.

It's time to start thinking about API board positions. If you would like to express interest in joining our board for the coming terms, please contact me by email at lee.payne@bakerhughes.com and I will get you more information.

To stay up to date with the SJV API please visit, www.apibakersfield.com where you'll find details on events, sign ups and our newsletters.

Stay safe and stay engaged with us this year by attending all of our great events and continue to contribute to local students' scholarship opportunities through the SJV API. I am always open to your ideas and you can reach me directly at (661-809-6331) or by email at lee.payne@bakerhughes.com.

Warm Regards,

Lee Payne

2021 API Chairman

API Awards Scholarships To Twenty-Six Students

The SJV Chapter of API awarded \$56,000 in scholarships to twenty-six students in June this year. Thirteen students (pictured below) and their families, as well as family members for four other students, attended the scholarship awards dinner. In addition to their scholarship awards, the students each received recognition certificates from Bakersfield Mayor Karen Goh and Congressman Kevin McCarthy.

Front Row: Regan Barton, Ireland Barton, Natalie Roberts, Emily Aldritt
Second Row: Jared Tholl, Emu Eghre-Bello, Megan Mathis, Kaitlyn Cooper, Isaac Stitt
Back Row: Jackson Meador, Grant Barksdale, Tate Turner

Congratulations To The 2021 API Scholarship Winners

Listed below are the twenty-six scholarship recipients and their chosen colleges and fields of study. Congratulations to all of them!

Emily Aldritt	Environmental Engineering	LSU
Grant Barksdale	Mathematics (Teaching)	CSU Fullerton
Ireland Barton	Mechanical Engineering	Colorado School of Mines
Regan Barton	Business Management	CSU San Marcos
Lee Begin	Mechanical Engineering	Colorado School of Mines
Rishabh (Rik) Bose	Electrical Engineering/Computer Science	Cal Tech

Jared Tholl	Geological Engineering	Colorado School of Mines
Salil Trehan	Biology	UC Riverside
Tate Turner	Mechanical/Civil Engineering	UC Davis
Steven Weese	Computer Engineering	University of Denver
Alejandra Zapata	Energy/Electrical Engineering	Cal Poly SLO

2021

~~**October 9-18, 2020**~~
October 8-17, 2021

Welcome to Oildorado 2020, no wait 2021!

In the small town of Taft, we take pride in our history—a town that was founded on oil, literally. We celebrate the jobs it has created, the products it can produce, and the funding it has provided to our schools, shops, restaurants, special districts, and small businesses. Every 5 years since its inception in 1930 (with the exception of World War II and now a global pandemic), Oildorado hosts a celebration honoring our history and OIL, and we want you to join us!

Oildorado is held in downtown Taft, located on the Westside of Kern County, CA. Originally scheduled for its 5-year rotation in 2020, Oildorado was postponed due to some pesky virus. As we emerge from the most difficult year of our lives, we are welcoming the community back to Taft October 8-17, 2021 to celebrate Oildorado.

The festival has grown to encompass 10 full days of one-of-a-kind events such as the Whiskerino contest, where beards are judged for the shape, length, and color or the Tessie Garratt hair bun contest, where the most creative style takes the win. You are bound to see the rivalry between the Sheriff's Posse and the outlaws of the Wooden Nickel Gang unravel before your eyes in a stage shoot-out in the middle of the street. The lovely Maids of Petroleum make their rounds to our local schools, and embrace the true essence of what Oildorado means to so many.

The months of planning (years, really) it takes to plan such a large event is truly a remarkable feat when the all-volunteer board and participants agree to help keep Taft on the map. This year, we are working to create an event that can stand along-side our prior celebrations and uphold long standing traditions and events including the Civic Luncheon, Grand Parade, Melodrama, aircraft exhibit and parade fly-over, arts and craft vendor fair, Oilfield Skills competition, concerts, merchandise general store, and much more! We rely on sponsors to host the events and hope you can help. We hope 2021 looks similar to the event we all have come to know and love.

We hope you will join us this year! There are many opportunities for you, your company, and your employees to get involved. Let me know how I can help you decide what event and level of sponsorship will work for you. Regards,

Shannon Miller, President 2021 Oildorado, Inc.

For Sponsorship Opportunities

Spotlight on Oil Field Education: The Taft Lighthouse

Tucked into the foothills just west of Bakersfield between 2 tumbleweeds and a pumpjack is a small town with a deep history of discovery. Some may know it as 11-C camp or Siding Number Two or maybe even as Moron. This city's name is Taft and while the gushers may be dry and the Standard Oil office is long gone there is now a lighthouse in Taft and if you want to see it you'll have to get to Taft Highschool where you'll find the Taft Oil Technology Academy- A CPA Lighthouse Academy.

The Taft Oil Technology Academy is a program that seeks to create partnerships between the petroleum industry, Taft High School administration and it's teachers to "guide students to realize their full potential by emphasizing high standards of academic excellence and personal growth, so students become competitive, competent, and contributing members of society with high moral character." The program is focused on the Petroleum Industry and STEM careers and according to Coordinator and Technology Teacher Ted Pendergrass, it seeks to help students "connect with industry, to connect the world of work with their education."

Students are introduced to subjects such as Petroleum Exploration, Geology, Drilling and Completions, Production, Reservoir Management, Transportation, Refining and even finance. The program has been so successful that out of the 400 California Partnership Academies it is 1 of only 16 chosen to be Lighthouse Academies and is the only lighthouse academy in California with a focus on the Petroleum Industry. This group even took second place in the OTC Energy Challenge for 2021 competing amongst the rest of the nation for solutions to real world energy problems. You can read all about their victory and project "Clean Sweep" at <http://2021.otcnet.org/otc-energy-challenge>. Titles and recognition are certainly well deserved but the real victory of this program comes from its graduation rate which is nearly 99%. Of the graduating seniors 72% go to a 2- or 4-year school, 15% enter the military and the remaining 13% enter vocation or certificated training.

Yes, there is a lighthouse in Taft and with the continued support of Petroleum Industry Partners, Administrators and Teachers, this lighthouse will shine through the successful lives of its students long after the Jameson #17 finally comes down.

Time to Renew Your Newsletter Sponsorships!

As you read through the newsletter, you can see many of our supporters sharing information about their businesses. These are our newsletter sponsors. We thank them for their support and remind them that it is time to renew your sponsorship. **We will need your renewal by the end of this month in order to continue your sponsorship in future newsletters.** So please follow the instructions below to renew. Thank you.

If you are interested in helping API while promoting your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same information on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page informational pieces. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to David Budy, dbudy@sentinelpeakresources.com. Graphics can be provided to Tim Frame, tim@mts-stim.com. Contact Tim Frame if you have any questions or need assistance (661) 447-5123.

General Meetings

General Meetings are held on the third Tuesday of each month (February through October) at the 1933 Prohibition Room in Bakersfield, 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7:00 p.m.

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on the Thursday before meeting and prepay for your dinner on our website at:

<http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

Your payment is your RSVP. If you cannot prepay online, please contact David Budy for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to: apibakersfieldchapter@gmail.com with your choice of menu option.

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:

John Chafin – jchafin@calcoastacidizing.com

American Petroleum Institute does not charge or profit for setting up social events

Chapter

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. ***We want to thank Chevron SJBU, Enterprise Vehicle Rentals, and Seneca Resources for being API's corporate sponsors and look forward to seeing their employees at our future events.*** There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com

Newsletter Sponsorship

If you are interested in helping API while promoting your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same information on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page informational pieces. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to David Budy, dbudy@sentinelpeakresources.com. Graphics can be provided to Tim Frame, tim@mts-stim.com.

Size	Monthly	Yearly
Business Card	\$30	\$200
Half Page	\$100	\$700
Full Page	\$200	\$1,400
