January 2022

Welcome Back API Members!

As we welcome the New Year and all the changes that it will bring, we look back at all the obstacles we have overcome to get here; the changes to our environment based on ever changing COVID protocols; political challenges; public opinion / perception of hydrocarbon products. While these obstacles may have seemed to be insurmountable last year, through the determination and resiliency of our fellow industry colleagues we are still here, adapting to the changes, improving on the processes, and educating the public on facts while having some fun along the way. For myself I can't think of a better place for us to pool together to support one another than with all of you fellow API members. As we look forward, we have an energized board that have already started planning our 2022 activities. Our Golf Tournament sign-up sheet is out and already starting to fill up and the Fall Fun Shoot Chair is already securing ammunition for our shooting event. While our January meeting was canceled based on recent ramp up in COVID cases in the area, we are still scheduling speakers for the remaining meetings for 2022 and I remain hopeful for an opportunity to see all of you monthly very soon for socializing, networking and learning. I would love to hear your feedback, comments, Ideas, and suggestions. Please feel free to contact me Rthibodeaux@keyenergy.com or apibakersfieldchapter@gmail.com or call 661.205.3088

Looking forward to seeing you

Time to Renew Your Newsletter Sponsorships!

As you read through the newsletter, you can see many of our supporters sharing information about their businesses. These are our newsletter sponsors. We thank them for their support and remind them that it is time to renew your sponsorship. **We will need your renewal by the end of this month in order to continue your sponsorship in future newsletters.** So please follow the instructions below to renew. Thank you.

If you are interested in helping API while promoting your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same information on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page informational pieces. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to Aaron Altramirano, aarona@westernfalcon.com. Graphics can be provided to Tim Frame, tim@mts-stim.com. Contact Tim Frame if you have any questions or need assistance (661) 447-5123.

General Meetings

General Meetings are held on the third Tuesday of each month (February through October) at the 1933 Prohibition Room in Bakersfield, 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7:00 p.m.

Dinners are \$30 for pre-paid RSVPs and \$35 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on the Thursday before meeting and prepay for your dinner on our website at:

<http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

Your payment is your RSVP. If you cannot prepay online, please contact Aaron Altramirano for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to: apibakersfieldchapter@gmail.com with your choice of menu option.

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:

John Chafin – jchafin@calcoastacidizing.com

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. ***We want to thank Chevron SJBU, Enterprise Vehicle Rentals, and Seneca Resources for being API's corporate sponsors and look forward to seeing their employees at our future events.*** There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com
