April 2023

Melissa Morse CRC VP of Reserves

Bio:

Melissa Morse is a geologist, energy executive, advocate for women in STEM, STEM education, and a lifelong student of leadership. With over 25 years' technical and leadership experience in the Energy space, Melissa is privileged to have worked all stages of petroleum exploration and development from appraisal of new discoveries to enhanced recovery methods in mature fields. She has had profit and loss accountability for geological-ly and operationally complex assets. She leads her multidisciplinary teams from field specialists to knowledge workers with empowerment and transparency. Today Melissa is Vice President of Reserves at California Resources Corporation (CRC), a California-based energy company focused on low carbon-intensity oil and natural gas production along with carbon capture and storage. In this role, Melissa and her team steward the estimates of recoverable oil and gas reserves that are the foundation of the company's value. Melissa holds Bachelor's and Master's degrees in Geology from the UC Santa Barbara Department of Earth Sciences, which recognized her with a Distinguished Alumni Award in 2016 for her career achievements and guest lectures in Petroleum Geology. She also holds a finance-focused MBA from Pepperdine University. She enjoys spending time with her family in the outdoors.

General Meeting:
April 18, 2023

Guest Speaker:
Melissa Morse
CRC VP of Reserves

Technical Speaker:
Jeremy Keller
Rondo Energy

Location:
1933 Prohibition Lounge
7900 Downing Avenue
Bakersfield, CA 93308

Schedule:
Social Hour: 6:00 PM
Tech Session: 6:30 PM
Dinner: 7:00 PM
Speaker: 7:45 PM

Global Elastomeric

Super Prize Sponsor:
James Haney
SageRider West

Technical Session

Solar Steam: Lowering the Cost and Carbon Intensity of California Petroleum

Jeremy Keller, P.E.

SVP of Business Development

Rondo Energy, Inc.

Synopsis:

Rondo Energy will discuss how their Heat Batteries can deliver Oil Field and Refinery steam for a lower cost than natural gas, while reducing the carbon intensity and local emissions. They will briefly touch on the state of deployment, funding solutions, and the value for the California industry of delivering a carbon intensity that is lower than Saudi crude.

Biography:

Jeremy brings to Rondo Energy a high level of expertise in taking energy projects from conceptualization through deployment, including evaluation of process data, financial modeling and technical scope development. Before joining Rondo, Jeremy spent 10 years with leading renewable energy and energy efficiency company Ameresco, where he developed and delivered hundreds of projects for commercial and industrial businesses. He is a licensed mechanical engineer in the State of Washington with expertise in the design and technical applications of energy storage, solar photovoltaics, microgrids, and renewable natural gas. Jeremy earned an MBA from Oregon State University, and bachelor's degrees in Mechanical Engineering and Physics from the University of Washington.

A Message from the Chair

Happy April API Members!

It's April and Spring is here! Our Board has been working really hard to make 2023 a great year. The Scholarship committee is reviewing submitted applications to be ready for June awards. We have budgeted for \$100,000.00 in scholarships this year. Our education committee has been working with local schools to assist in judging some of the events as well as participate in career days at schools. Adopt-a-Highway had a cleanup on March 25th and picked up 20 bags of trash. Our Golf Committee has planned another great tournament for May 5th. This event is sold out, but we are still accepting raffle prizes and promotional items for the team bags. Our Vice Chair has worked hard to find speakers this year with lots of wonderful speakers and different topics for everyone. Our April meeting will have Jeremy Keller with Rondo Energy and Melissa Morse from CRC. This promises to be a great meeting so please RSVP quickly before it sells out.

Our April Meeting will be held at 1933 Club, 7900 Downing Ave in Bakersfield; I am looking forward to seeing all of you on April 18th, so please RSVP early. I would love to hear your feedback, comments, Ideas, and suggestions. Please feel free to contact me Rthibodeaux@keyenergy.com or apibakersfieldchapter@gmail.com or call 661.205.3088
Looking forward to seeing you

Russell Thibodeaux

Carbon Capture Corner

Federal Funding to Kick-Start America's Carbon Dioxide Removal Industry

In December, the Biden administration announced the launch of four programs, funded with \$3.7 billion from the Bipartisan Infrastructure Law, to help build a commercially viable and responsible carbon dioxide removal industry in the United States. The [Chevron Eastridge](#) and [CRC Elk Hills](#) projects are two projects that will look to benefit from this federal funding as they vie to become the first carbon dioxide removal projects to go online in the state of California. These projects enjoy widespread support throughout the community, including support from the Bakersfield Chamber, Kern County Hispanic Chamber of Commerce, the Central Valley Business Federation, Kern Law Enforcement Association, Kern County Firefighters Association, and many others.

[Watch how carbon capture and storage works:](#)

API night at the Bakersfield Condors, April 14th

Come join other API members on April 14th for the Bakersfield Condors vs. Coachella Valley Firebirds hockey game.

The Condors will honor the API and other volunteer organizations at the game.

Concert for the Causes, May 6, 2023

We are building on the momentum of last year and hard at work to make the third annual concert bigger and better than ever. Country recording artist **Jimmie Allen** will be our headliner along with a few favorite local bands. The concert will be held once again at the Kern County Raceway Park on May 6, 2023.

We are proud to announce the addition of a new non-profit that will be joining our team, the Bakersfield Firefighters Burn Foundation. They support and assist Bakersfield and Kern County burn survivors in their recovery process by assuring the best possible burn care, support services, and support resources are provided.

**THE SOLUTION
IS HERE**

A GLOBAL ENERGY CRISIS, AN AMERICAN SOLUTION

MAKE

PROBLEM: NOT ENOUGH ENERGY TO MEET RISING DEMAND

Washington should do more to support investment in new U.S. natural gas and oil.

SOLUTION: INCREASE AMERICAN NATURAL GAS AND OIL

Reasonable and smart energy policies are critical to supporting investment in long-lived natural gas and oil production.

MOVE

PROBLEM: LACK OF ENERGY INFRASTRUCTURE TO MEET GROWING DEMAND

Delays in permitting and reviews are blocking needed natural gas, oil and refined products infrastructure.

SOLUTION: STRENGTHEN U.S. ENERGY INFRASTRUCTURE, INCLUDING LNG PROJECTS

Infrastructure review and permitting processes must be streamlined to better distribute energy to Americans and to help meet rising demand from allies.

IMPROVE

PROBLEM: DELIVER AFFORDABLE, RELIABLE ENERGY WHILE CREATING A LOWER-CARBON FUTURE

Meeting energy demand with reliable, accessible energy while reducing greenhouse gas emissions is the challenge of our time – one that natural gas and oil are rising to address.

SOLUTION: CONTINUE INNOVATING TO REDUCE CARBON EMISSIONS AND PROTECT THE ENVIRONMENT

American natural gas and oil companies are committed to innovating lower-carbon technologies, lower-carbon energy development and cleaner products. Initiatives such as The Environmental Partnership are collaborating to help reduce emissions. Companies are also leading on carbon capture, storage and utilization, and looking to lead on hydrogen technology.

SOLUTIONS

MAKE

- **Increase Access for Energy Development:** The U.S. Interior Department should issue a robust, five-year offshore leasing program and hold quarterly onshore lease sales, with equitable terms.
- **Protect Refining Technology Competition:** Federal rules should continue to allow U.S. refineries to use critical process technologies to provide necessary fuels to consumers.
- **Signal Support for Needed Energy Investment:** Federal regulators should reconsider the Securities and Exchange Commission's (SEC) overreach on climate disclosure and should support needed capital investment in oil and natural gas.

MOVE

- **Designate Critical Infrastructure:** Major energy infrastructure should be deemed in the national interest and eligible for streamlined review.
- **Support Pipeline Safety Innovation:** Pipeline and Hazardous Materials Safety Administration (PHMSA) reauthorization should ensure the ability to deploy the latest safety technologies, emerging fuels and sustainable operations.
- **Revise the National Environmental Policy Act (NEPA):** NEPA reviews affecting many types of infrastructure should be uniform across federal agencies and limited to two years.
- **Accelerate Liquefied Natural Gas (LNG) Projects and Lift Supply Chain Bottlenecks:** Ensure the free flow of energy and commerce by expediting LNG project approval, lifting steel tariffs and relieving port congestion.

IMPROVE

- **Clarify Tax Credits for Carbon Capture, Utilization and Storage (CCUS), Hydrogen and Clean Fuels:** Additional guidance for Section 45Q will help advance CCUS and reduce the nation's carbon footprint. In addition, Section 45V tax credits for hydrogen from all sources should value equally each ton of carbon dioxide reduced.
- **Advance Low-Carbon Infrastructure:** The permitting regime for low-carbon infrastructure should be consistent, timely and predictable to encourage investment.
- **Support STEM Education:** Washington should continue to support the training and education of a diverse energy workforce through science, technology, engineering and math courses.

Website News

Check out the new site for Jobs and Internships.

Under the Resources heading you can find spots to post job openings and resumes for positions desired.

There is also a spot to post Internships if your company is seeking applicants.

General Meetings

General Meetings are held on the third Tuesday of each month (February through October) at the 1933 Prohibition Room in Bakersfield, 7900 Downing Avenue. Social Session starts at 6:00 PM, Technical Session starts at 6:30 p.m., and the Dinner Session starts at 7:00 p.m.

Dinners are \$35 for pre-paid RSVPs and \$40 at the door. We may have very limited seating for those who do not RSVP. We ask that you RSVP by 5:00 PM on the Thursday before meeting and prepay for your dinner on our website at:

<http://www.apibakersfield.com/pay-online/api-monthly-dinner-meeting/>

Your payment is your RSVP. If you cannot prepay online, please contact Aaron Altramirano for another prepay option. Those who pre-pay either way are eligible for the door prizes following the guest speaker's presentation. In order to guarantee your seat and dinner choice (steak, chicken, salmon, or vegetarian) for the meeting, please check the appropriate menu selection when you are on the payment page.

Honorary Lifetime Members may RSVP to: apibakersfieldchapter@gmail.com with your choice of menu option.

Enterprise Holdings makes large scholarship donation

A special thank you to Linda Bliss and Enterprise Holdings for donating \$5000 to the scholarship fund.

Please consider Enterprise for your rental vehicle needs.

Enterprise Car Rental and Enterprise Truck Rental.

Time to Renew Your Newsletter Sponsorships!

As you read through the newsletter, you can see many of our supporters sharing information about their businesses. These are our newsletter sponsors. We thank them for their support and remind them that it is time to renew your sponsorship. **We will need your renewal by the end of this month in order to continue your sponsorship in future newsletters.** So please follow the instructions below to renew. Thank you.

If you are interested in helping API while promoting your company, the newsletter sponsorship is a great way to do it. Not only is your company displayed in the newsletter, but we also show the same information on our website and at the general meetings during dinner and between speakers.

There are options for business card, half page, and full page informational pieces. All options are available for a single month or for the entire calendar year.

Payments can be made online at www.apibakersfield.com or by providing payment to Aaron Altramirano, aarona@westernfalcon.com. Graphics can be provided to Tim Frame, tim@mts-stim.com. Contact Tim Frame if you have any questions or need assistance (661) 447-5123.

API Social Sponsorship

The American Petroleum Institute SJV Chapter is actively looking for networking social sponsorships. These networking socials help to build relationships, market products or services, and promote a positive outlook on the local oil and natural gas industry.

Sponsoring a social will include the following

- Email distribution of your company name to the API contact list (600+ industry related emails)
- Company logo and promotional items can be promoted at sign in/raffle table during the social
- Social event turnout is typically 40-60 industry related people
- Event will be promoted at API general meeting and API newsletter (600+ industry related emails)
- Possibility to have joint social with SPE (Society Petroleum Engineers) which will include their email distribution/newsletter promotion

Social Sponsorship Cost

- Cost can range from \$600 - \$2,000+
- Lower end sponsorships typically do not involve a private room secluded for the event but more of a brewery type setting providing appetizers or food for guest
- Higher end sponsorships will typically have a private room (petroleum club, 1933) or any place that will accommodate the event (providing appetizers/Dinner/Alcohol or what is within the budget)
- We can work with any budget
- If sponsorship costs are too high, we can look to host a co-sponsor social (you and another company) cost split in half

For more information please contact:

Todd Bivens, tbivens@bak.rr.com

American Petroleum Institute does not charge or profit for setting up social events

San Joaquin Valley
Chapter

API Sponsorship Packages

Dear Fellow API Members, Supporters, & Volunteers,

The San Joaquin Valley Chapter of the American Petroleum Institute is a non-profit organization comprised of petroleum related professionals. We strive to foster a spirit of cooperation among those directly or indirectly engaged in the production of oil or gas by encouraging a free exchange of ideas among members. We support several community organizations as well as educational programs each year, and we are proud to award API Scholarships to local students pursuing careers in the petroleum industry or a closely related field. API awarded \$75,000 to 29 Scholarship Recipients in June of 2022 and our goal is to exceed this years' efforts in 2023.

In an effort to support and further our future goals, we are seeking community partners. We have 4 customizable sponsorship packages available for your consideration. I've included suggested package details, however, we can contour packages based on your individual or company needs and requirements.

API ticket and event management is an option available to you

⇒ Platinum

⇒ Silver

⇒ Black Gold

⇒ Bronze

API is a recognized 501c3 non-profit organization and your partnership contribution is **100% tax deductible, Tax ID# 95-3086622**. We are committed to investing in the future of our youth, industry, and community; your generosity and support are greatly appreciated!

Please continue to support the American Petroleum Institute, SJVC by attending our monthly meetings, participating in our major events: Golf Tournament, Fall Fun Shoot, Oil Baron's Ball, Networking Socials, sponsorships, volunteering, guest speaking, etc.

Thank you for making a difference in our community!

(All packages are customizable based on your company preference and requirements)

API Platinum Sponsorship Package \$25,000

- Company name on 3 API Scholarships
- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Full page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
- Company recognition on Social Media via API Facebook & LinkedIn pages
- Recognition at all major API Fundraising Events: API Golf Tournament, Fall Fun Shoot, and Oil Baron's Ball
- 8 API Annual Memberships
- Company Sponsor of 1 API Networking Social
- API Golf Tournament – 2 Four Man Teams
- Fall Fun Shoot – 2 Five Man Teams
- Oil Baron's Ball – Platinum Sponsorship plus one premium table with 10 event tickets
- Company name on 2 API Scholarships

API Silver Sponsorship Package \$15,000

- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Full page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
- Company recognition on Social Media via API Facebook & LinkedIn pages
- Recognition at all major API Fundraising Events: API Golf Tournament, Fall Fun Shoot, and Oil Baron's Ball
- 4 API Annual Memberships
- API Golf Tournament – 1 Four Man Team
- Fall Fun Shoot – 1 Five Man Team
- Oil Baron's Ball – Gold Sponsorship plus one premium table with 10 event tickets

API Black Gold Sponsorship Package \$10,000

- Company name on 1 API Scholarship
- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Half page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
- Company recognition on Social Media via API Facebook & LinkedIn pages
- Recognition at all major API Fundraising Events: API Golf Tournament, Fall Fun Shoot, and Oil Baron's Ball

API Bronze Sponsorship Package \$5,000

- Monthly company recognition during monthly meetings on slideshow presentation & banner display (Jan-Oct)
- Quarter page ad of your choice in monthly newsletter (Jan-Oct)
- Annual website sponsor (we will include a link to your website and or/video)
- Company recognition on Social Media via API Facebook & LinkedIn pages
- Recognition at all major API Fundraising Events: API Golf Tournament, Fall Fun Shoot, and Oil Baron's Ball

Black Gold & Bronze Sponsorships Choice of 1 of the following events:

- API Golf Tournament – 1 Four Man Team
- Fall Fun Shoot – 1 Five Man Team
- Oil Baron's Ball – One premium table with 10 event tickets

Corporate Sponsorships

As part of API's mission to give back to our local community through college scholarships for those pursuing petroleum based degrees and other local educational programs, API has created a corporate sponsorship package that includes membership and tickets to our annual events. ***We want to thank Chevron SJB, and Enterprise Vehicle Rentals, being API's corporate sponsors and look forward to seeing their employees at our future events.*** There are several sponsor packages available for each business to decide what is best for them. We look forward to signing more up in the months to come. If you have any questions, please reach out to the API at apibakersfieldchapter@gmail.com

Servicing all Oil & Gas markets across North America

Society depends on a reliable source of energy.

We recognize the challenges and opportunities you're facing in today's highly competitive and increasingly complex oil and gas markets.

- Drilling, cementing, and stimulation
- Refineries, petrochemical, and natural gas plants

Our extensive product line, service commitment, and 50+ years of expertise provide key advantages to our Oil & Gas partners.
