The Chairman's Corner

As we stand on the threshold of a new year, a moment of reflection, gratitude, and anticipation emerges upon us. Before we embark on the exciting journey that awaits us in 2024, I want to take this opportunity to express my appreciation to each one of you for your dedication and hard work throughout the past year.

As we bid farewell to Russell Thibodeaux and welcome the opportunities that the New Year brings, I extend my gratitude to Russell for his commitment throughout the past several years. Russell, your leadership has been a guiding force, and we sincerely appreciate your dedication. Best wishes for your future endeavors.

Looking ahead to an exciting 2024, I am thrilled to share our ambitious plans and initiatives:

Quality Guest Speakers:

We have lined up a roster of insightful and inspiring guest speakers who will share their expertise, insights, and aspirations for the new year. Notable speakers include:

Mr. Brent Illot, Vice President Operations, AERA Energy

Mr. Omar Hayat, Executive Vice President of Operations, California Resources Corporation

Many others whose perspectives are sure to impress.

Fun and Exciting Events:

Subject: Support for EPA's proposal to issue four (4) Class VI Underground Injection Control (UIC) permits for California Resources Corporation (CRC)

I am writing to let you know about an opportunity to comment during workshops hosted by the Environmental Protection Agency (EPA's) Region 9 and Kern County Planning and Natural Resources Agency in February and March 2024.

This is an opportunity for you to comment on the EPA's proposal to issue four (4) Class VI Underground Injection Control (UIC) permits for California Resources Corporation (CRC) subsidiary Carbon TerraVault to construct and operate injection wells for geologic sequestration of carbon dioxide.

The proposed injection wells will be located within the Elk Hills Oil Field approximately 20 miles west of Bakersfield, California. The permit would authorize injection of carbon dioxide into the proposed injection wells at a depth of approximately 6000 feet.

There will be 4 joint workshops (see table below for dates and locations) where agencies will present information about EPA's UIC permitting process, the proposed UIC permits and Kern County's draft Environmental Impact Report.

PUBLIC WORKSHOPS

| DATE | TIME | LOCATION |
|------------------------------|------------------------------|--|
| Wednesday, January 17, 2024 | 3:00pm – 5:00pm VIRTUAL | Instruction available on the EPA Region 9 website |
| Tuesday, January 30, 2024 | 6:00pm – 9:00pm IN PERSON | West Side Recreation and Park District Auditorium – 500 Cascade Place Building B Taft, CA 93268 |
| Wednesday, January 31, 2024 | 6:00pm – 9:00pm IN PERSON | Buttonwillow Recreation and Park District Community Center – 556 Milo Avenue Buttonwillow, CA 93206 |
| Wednesday, February 28, 2024 | 3:00pm – 5:00pm IN PERSON | Buttonwillow Recreation and Park District Community Center – 556 Milo Avenue Buttonwillow, CA 93206 |

In addition to the 4 joint workshops with Kern County, EPA will hold an in-person public hearing for the Draft UIC Permits.

The public hearing will be held on Wednesday, February 28, 2024, from 6:00pm – 9:00pm PST at the Buttonwillow Recreation and Park District.

PUBLIC HEARING

| DATE | TIME | LOCATION |
|------------------------------|------------------------------|--|
| Wednesday, February 28, 2024 | 6:00pm – 9:00pm IN PERSON | Buttonwillow Recreation and Park District Community Center – 556 Milo Avenue Buttonwillow, CA 93206 |

At the PUBLIC HEARING you can provide oral statements regarding the Draft UIC Permits, and those statements will become part of the administration record.

If you are interested in joining us – please let me know by replying to me with an email indicating your support/confirmation and dates you would be interested in attending. I will provide your contact info then to Nicole Parra, Vice President of Community Affairs to contact you and make sure you have all the information you need to attend and/or speak at one of the workshops and/or the hearing.

Having community members like you participate during this public comment process is extremely important. Your voice matters.

Again, thank you for your consideration of my request. Thank you for your help!
