

2025 SCHOLARSHIP APPLICATION

Dear Student Applicant,

The American Petroleum Institute San Joaquin Valley Chapter awards scholarships to young men and women who wish to pursue a career in the petroleum industry or a closely related field. These scholarships are awarded to hard working, dedicated, and deserving students who are graduating high school seniors or continuing college students who will be attending college or trade school in the fall. When submitting your applications for consideration, we expect students to be straightforward and sincere.

PLEASE SUBMIT THE FOLLOWING:

1. Scholarship Application Data Sheet (attached): You may organize the information required on the Data Sheet in resume form if you wish.
2. Letters of Recommendation: A minimum of two and a maximum of three ***recent*** letters. **Please do not use previously submitted letters of recommendation as they will not be counted.** A school instructor who is familiar with your current academic accomplishments should submit at least one of these.
3. Academic Transcript: Must be on high school/college/university letterhead. Please submit current or most recent transcript showing courses taken and grades earned during the past two years.
4. Proof of Enrollment: Recipient must be enrolled as a full-time student (12 or more credit hours) at an accredited college or university. Proof of enrollment must be received prior to disbursement of scholarship funds but is not required at the time of submittal of the scholarship application.
5. Essay: Please submit a short essay of approximately *500 words for two essay questions* and *200 words for the informational question* that are found later in the application.
6. Email Documents: Applications will be required to be emailed to all committee members. Scan and attach all documents in .pdf format. Transcripts and letters of recommendations can be sent via U.S. Mail if needed, but we prefer that these letters be attached to an email and emailed to all committee members in one message. If it is necessary that you need to mail the application, we will accept it, but **the preference is by email. Please address all emails to all committee members as a group message so that we can each verify that we received them.** For any hardships, please contact the Scholarship Committee Chair below.

We look forward to receiving your timely application. If you have any questions, please contact one of the committee members via email.

Please answer the two essay questions below. Each question should be answered in a short essay of approximately 500 words.

Essay Question # 1 Phasing Out Oil Production:

Evaluate the potential advantages and challenges of California's proposal to phase out oil and gas production. Consider factors such as economic impact, environmental benefits, and energy needs, and support your evaluation with data and examples

Essay Question # 2 Mining and Drilling:

Investigate and compare the environmental & social impacts of mining for rare earth minerals required for an electric economy vs. drilling for oil & gas in the conventional fossil fuel economy. Consider the mineral requirements for cobalt, lithium, nickel, copper, graphite, etc. as well as rare earth minerals like Neodymium, Samarium, Terbium, Dysprosium. Discuss specific examples, location, working conditions, land use, water consumption, greenhouse gas emissions, and ecosystem disruption, to support your analysis of mining versus oil drilling.

Please answer the informational question below with a short essay of approximately 200 words.

Informal Informational Question:

Describe how your course of studies relates to the energy, oil, and gas industry and what your role will be after graduation. Explain your intended contributions to our industry.
